

FARHAN'S MAGIC WORDS

The
Power of
Saying Please

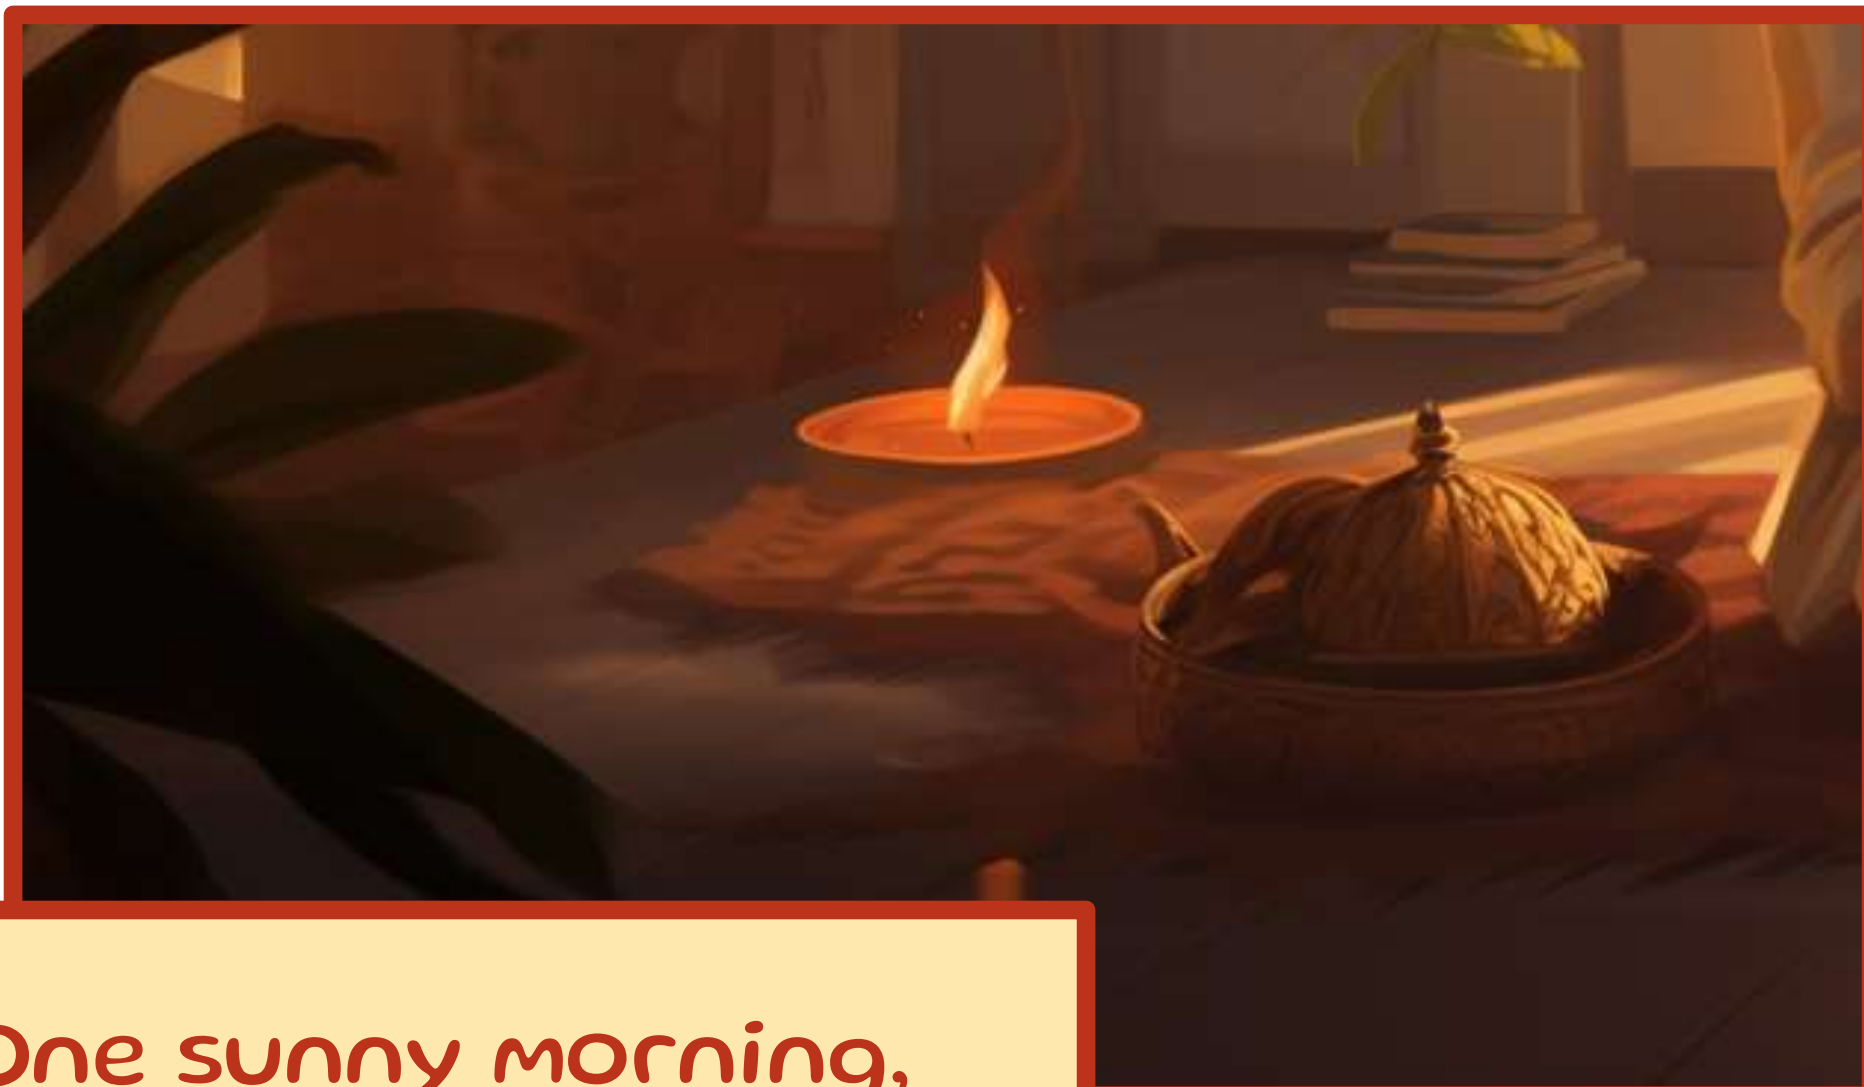

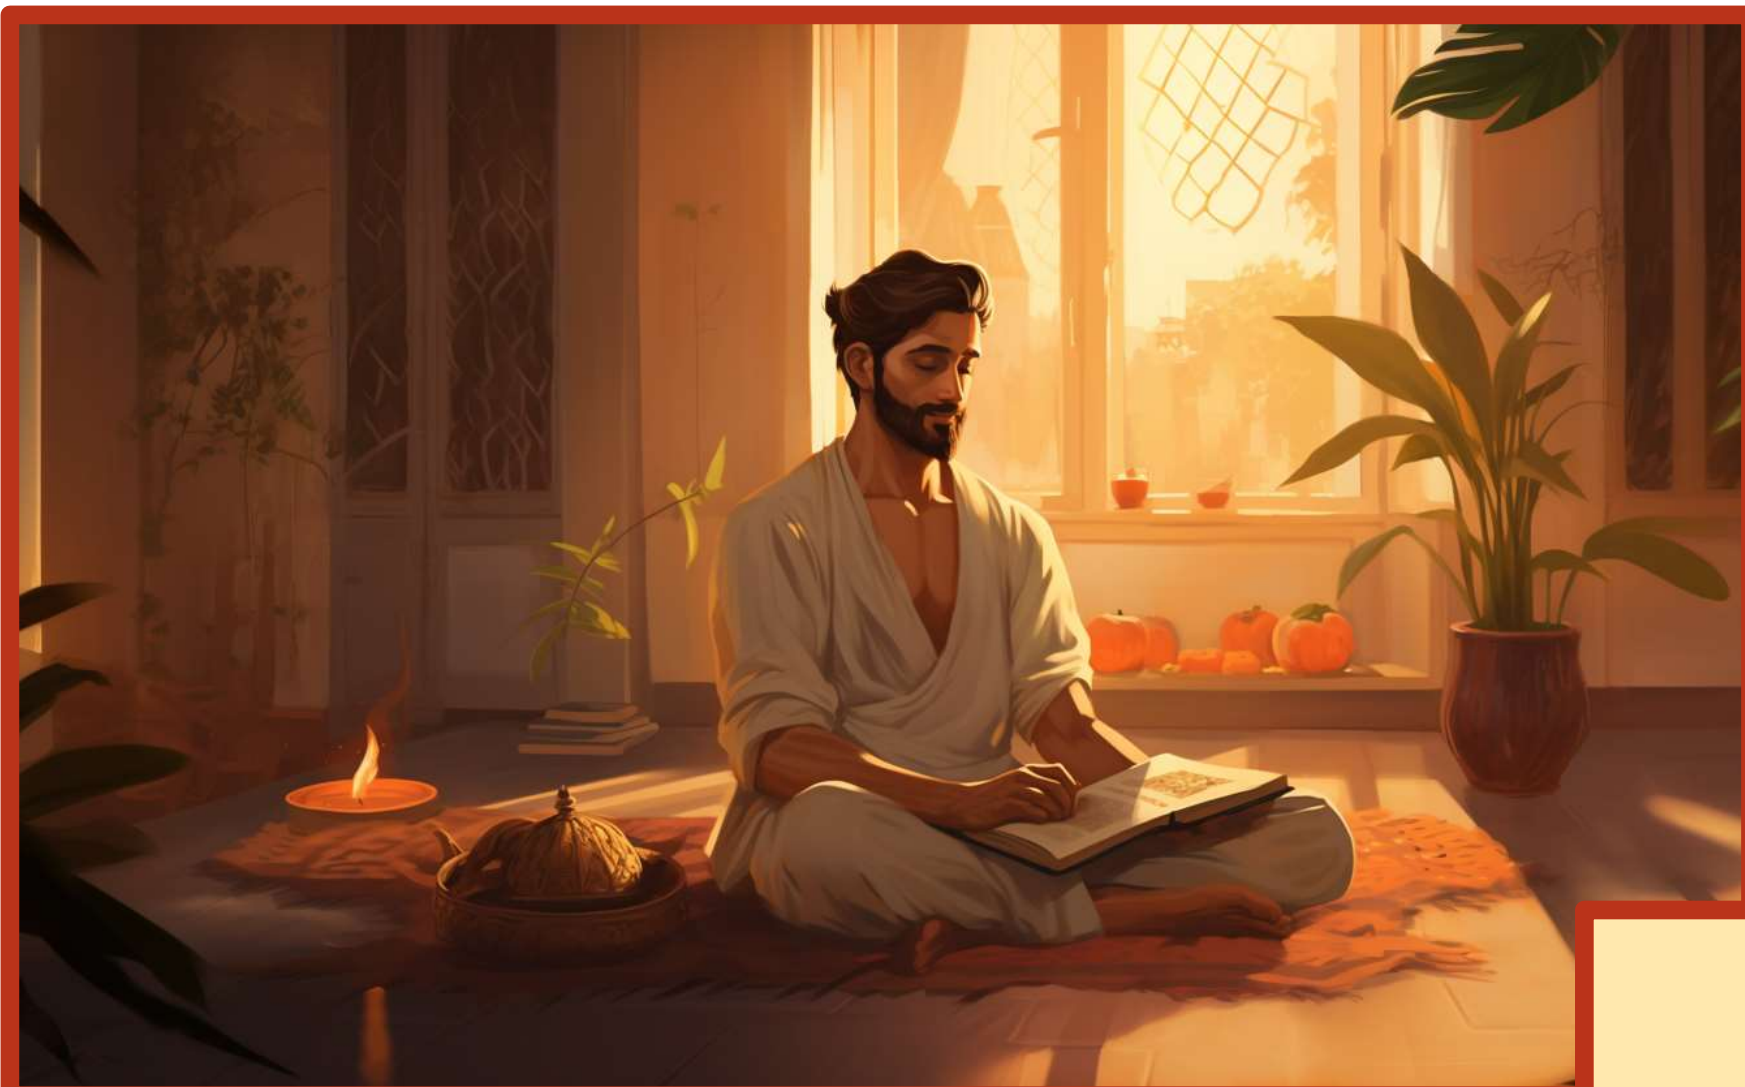

This enchanting children's fairy tale is a magical fantasy with valuable life lessons, so remember, it's all just pretend and enjoy the journey with parental guidance

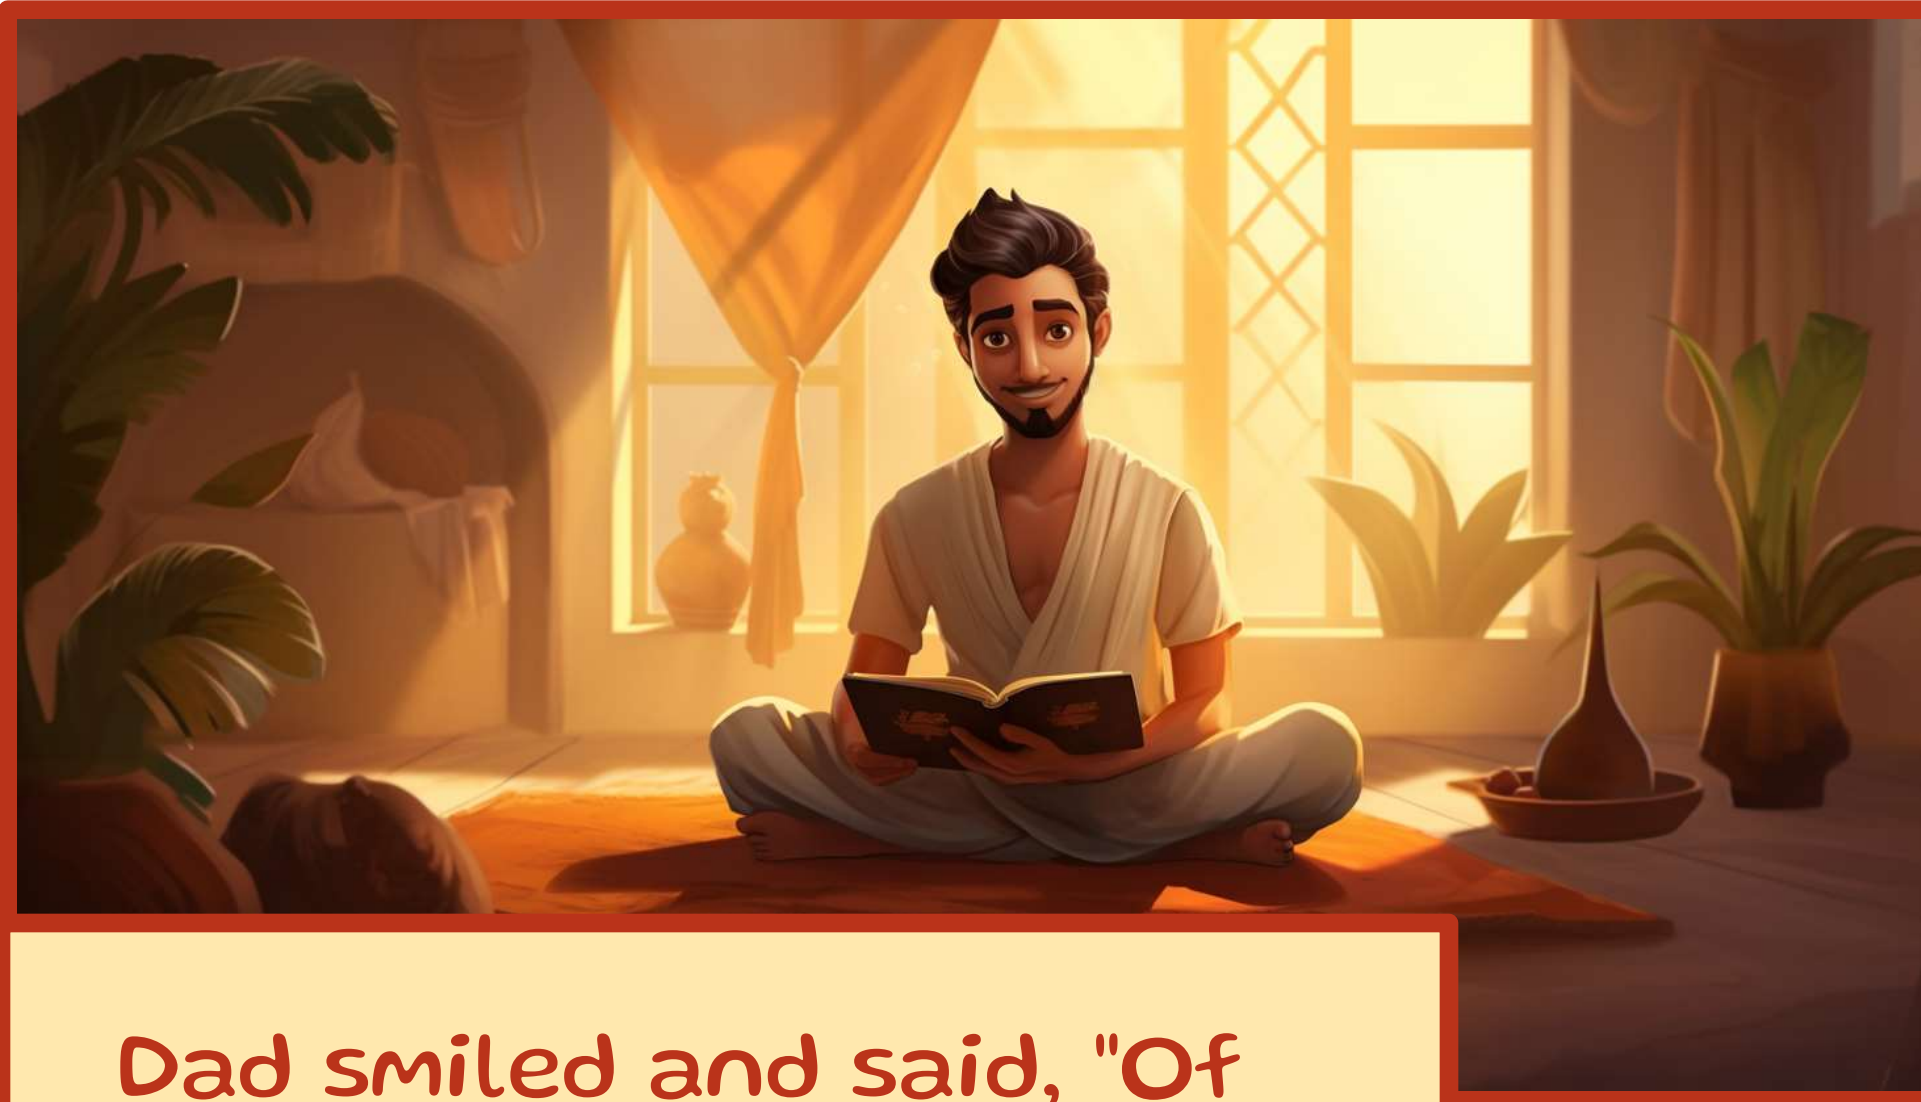

Meet Farhan, a little
boy with a big heart.

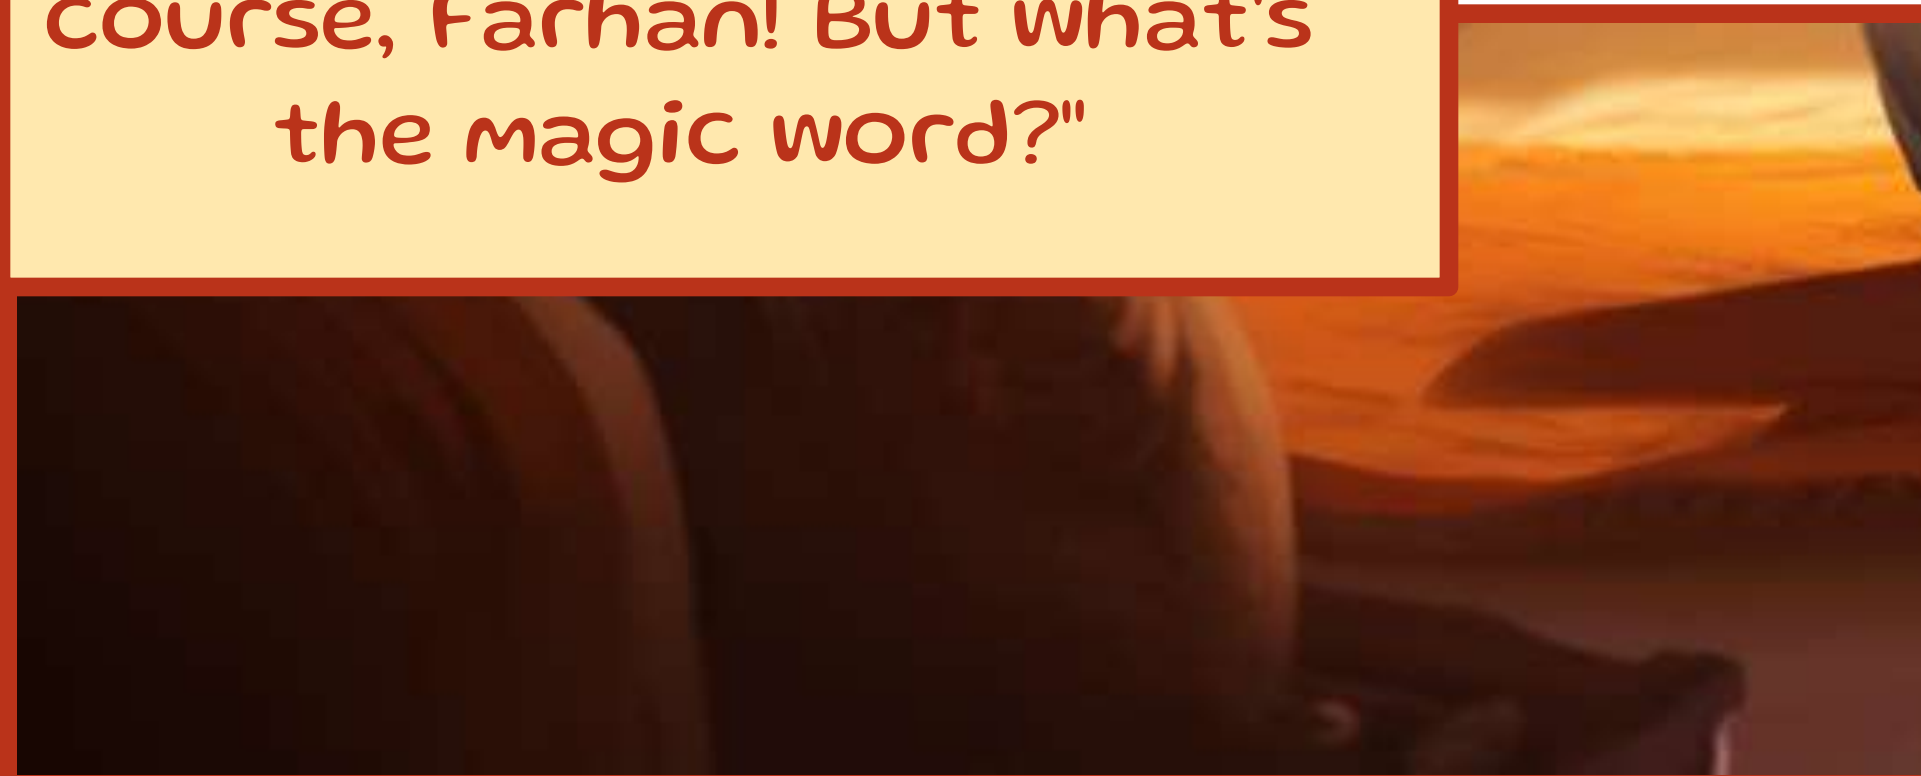

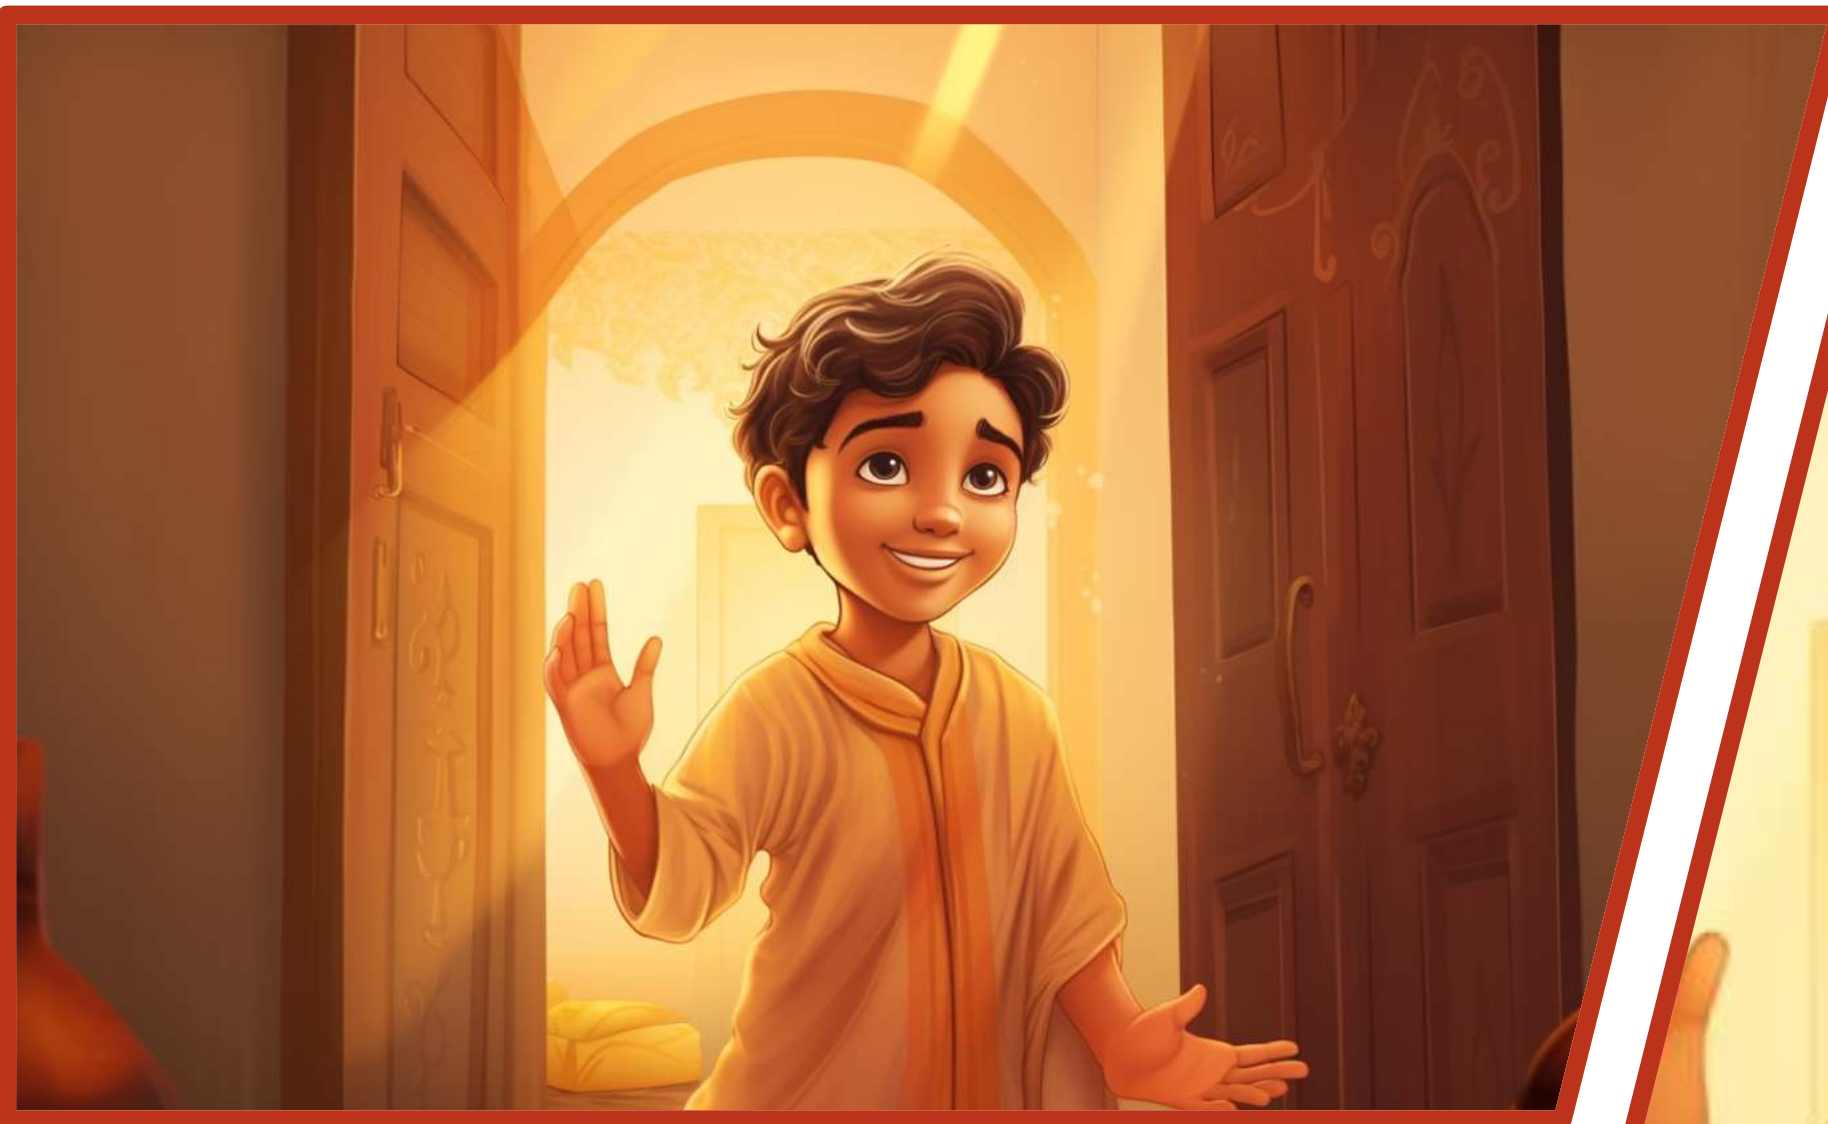

One sunny morning,
Farhan saw his dad
reading a book.

Dad smiled and said, "Of course, Farhan! But what's the magic word?"

Farhan thought for
a moment and then
remembered. "Please!"
he said with a
cheerful smile.

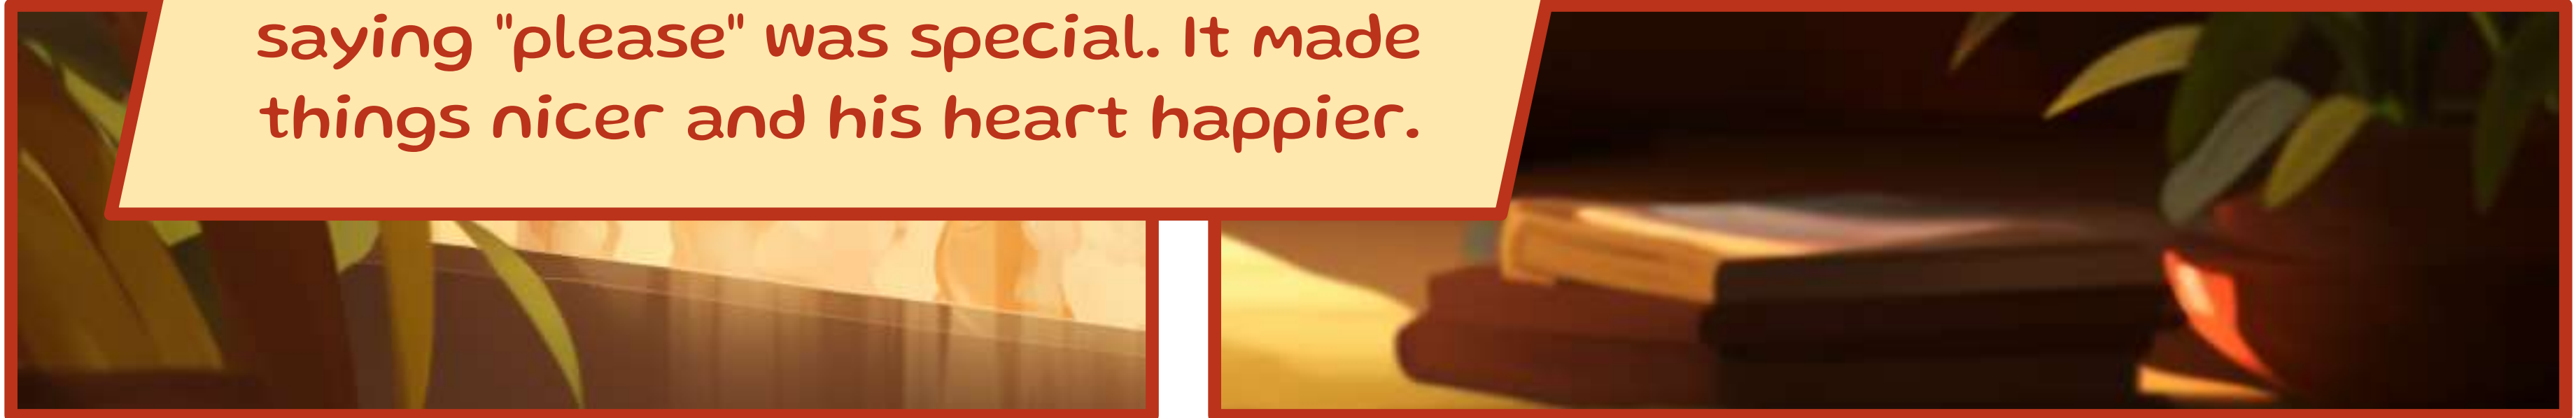

"Absolutely," Dad replied, and he began to read a wonderful story.

As Farhan listened, he realized that saying "please" was special. It made things nicer and his heart happier.

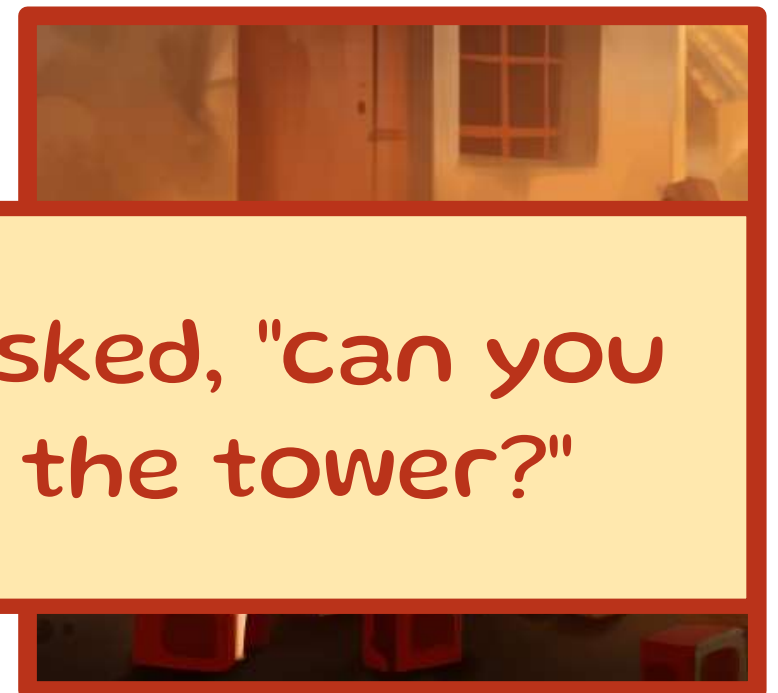

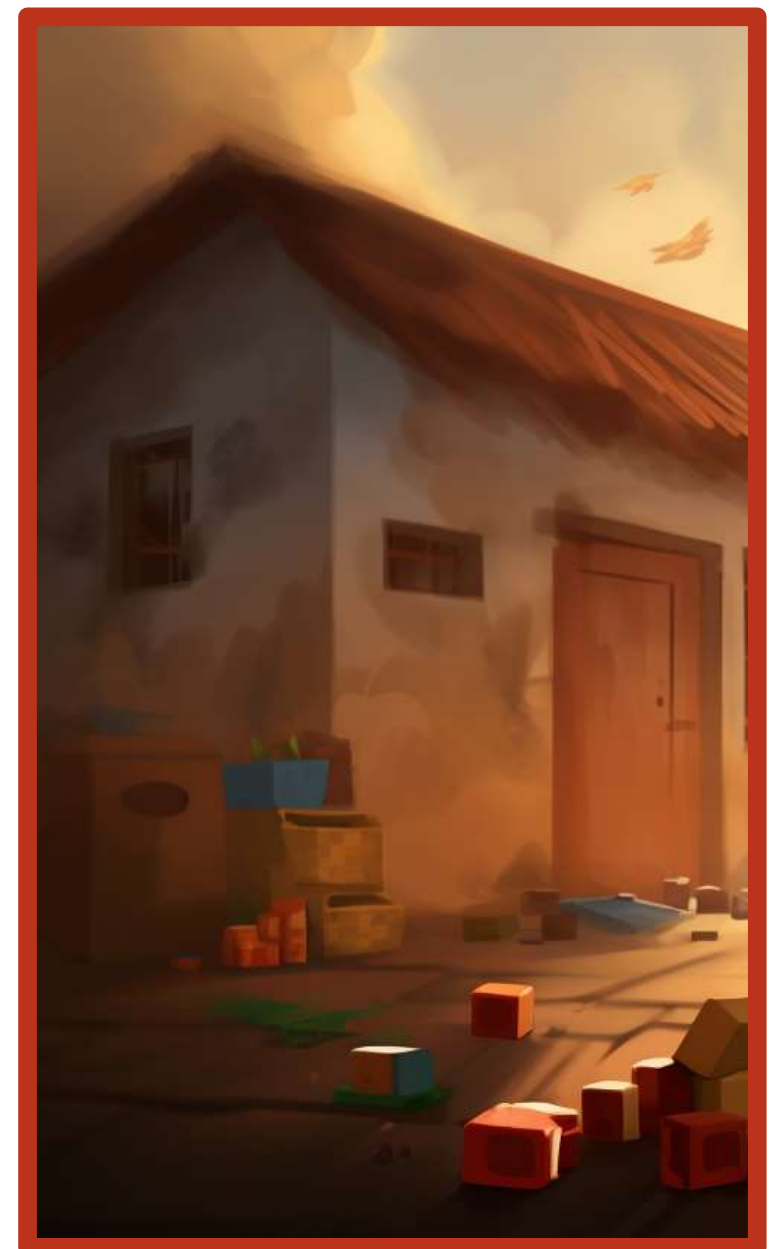

A young boy with dark hair and a red shirt is sitting on a tiled floor in a courtyard, smiling as he plays with red and yellow building blocks. The scene is bathed in warm, golden light, suggesting late afternoon or early morning. In the background, there is a traditional building with a tiled roof and a small window. To the right, there are some household items like a stack of blocks and a bowl. The overall atmosphere is peaceful and nostalgic.

Later, Farhan wanted
to build a tall tower
with his building
blocks. He needed help
from Dad to make it
steady.

"Dad," Farhan asked, "can you help me with the tower?"

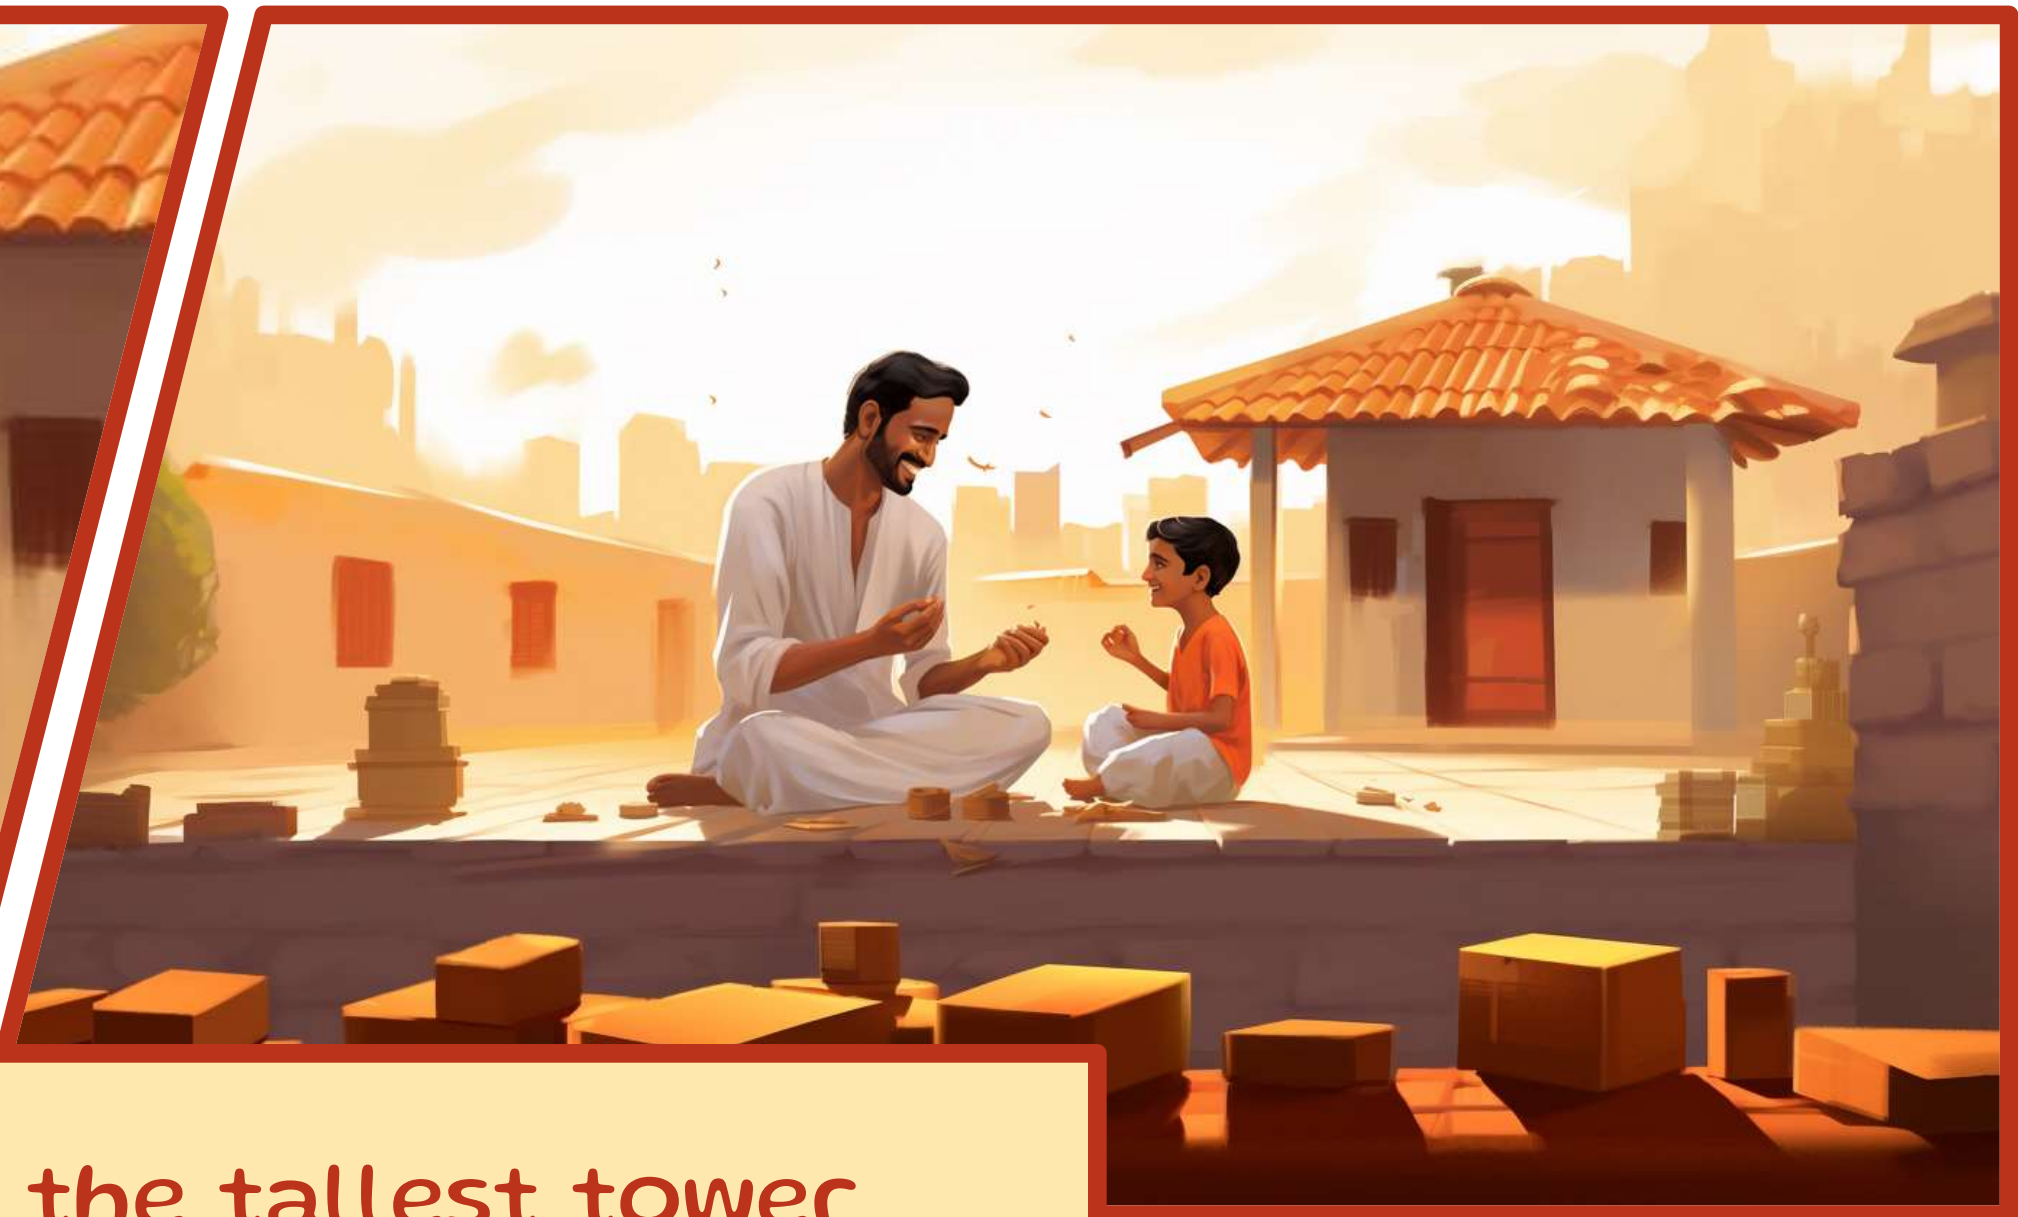

Dad looked pleased and said,
"Sure thing, Farhan! But
what's the magic word?"

A man with a beard and dark hair, wearing a white V-neck shirt and white pants, is sitting on a wooden bench on a porch. He is looking off to the side with a slight smile. The background shows a warm sunset with orange and yellow light filtering through a window with a diamond-patterned lattice. A large green plant is visible on the left side of the frame.

Farhan knew the answer now. "Please!" he said with excitement.

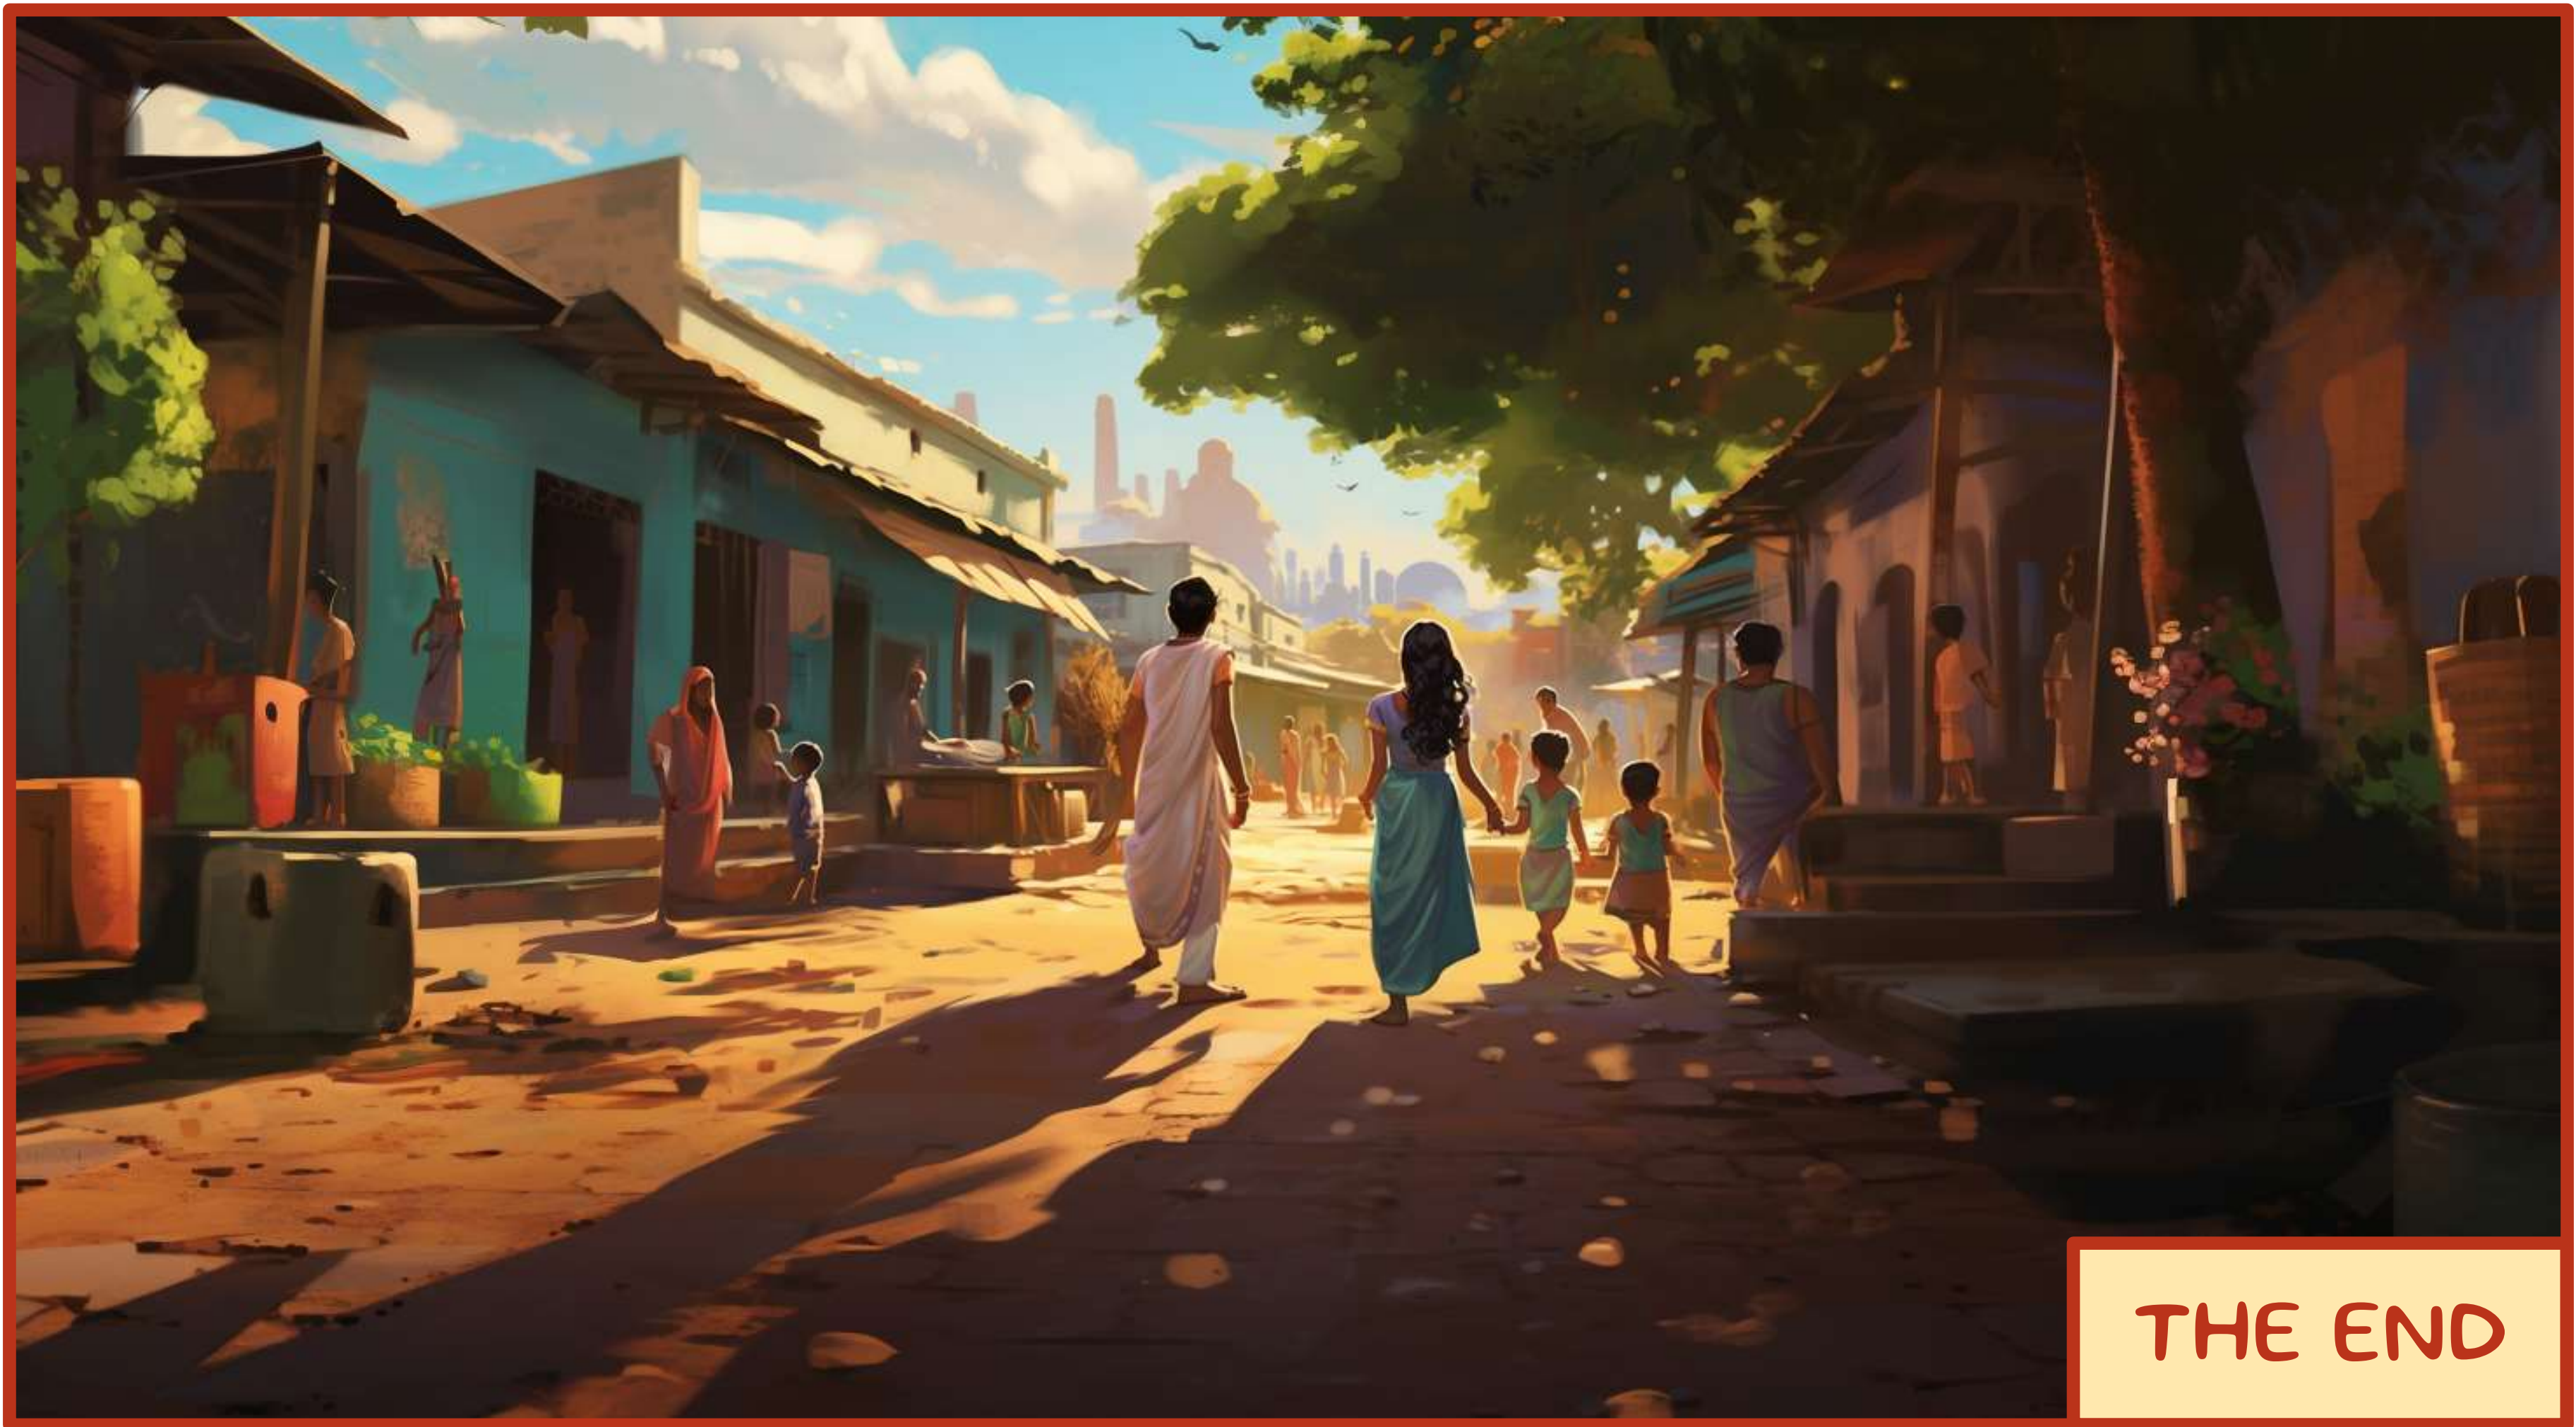

Dad helped him build the tallest tower ever. Farhan learned that saying "please" was like a secret code that brought smiles.

From that day on, Farhan used his magic words whenever he needed something. And his days became even more joyful, filled with love and the power of kindness.
