This enchanting children's fairy tale is a magical fantasy with valuable life lessons, so remember, it's all just pretend and enjoy the journey with parental guidance

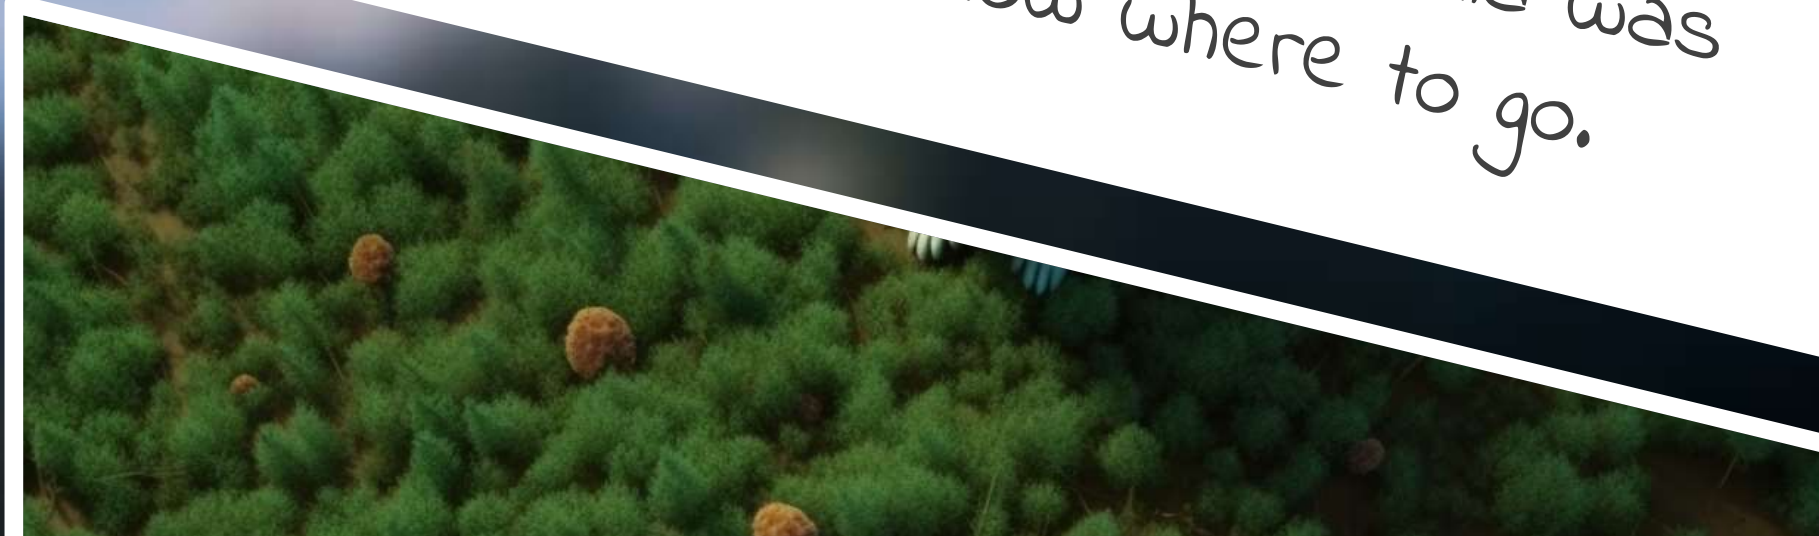

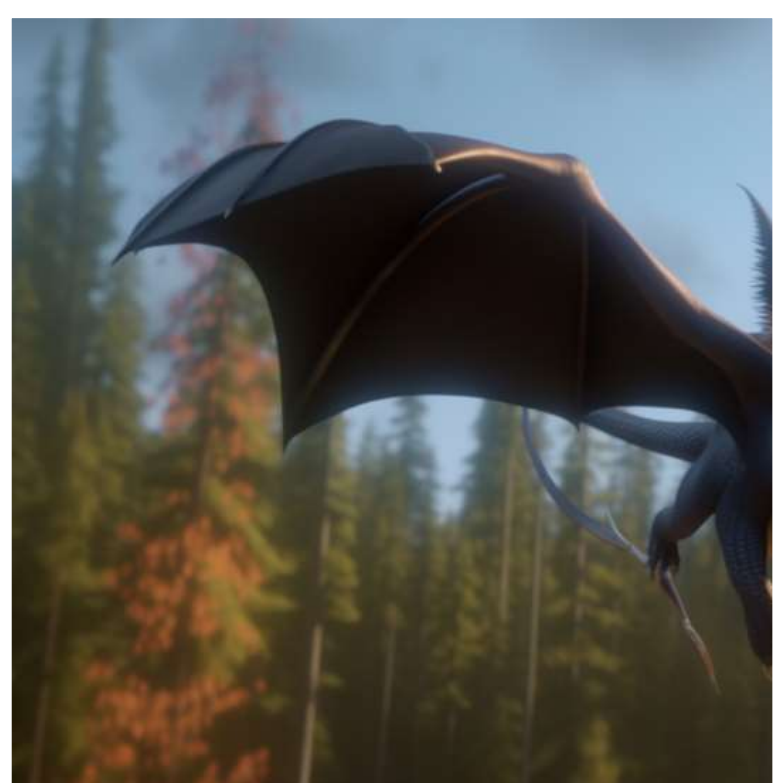

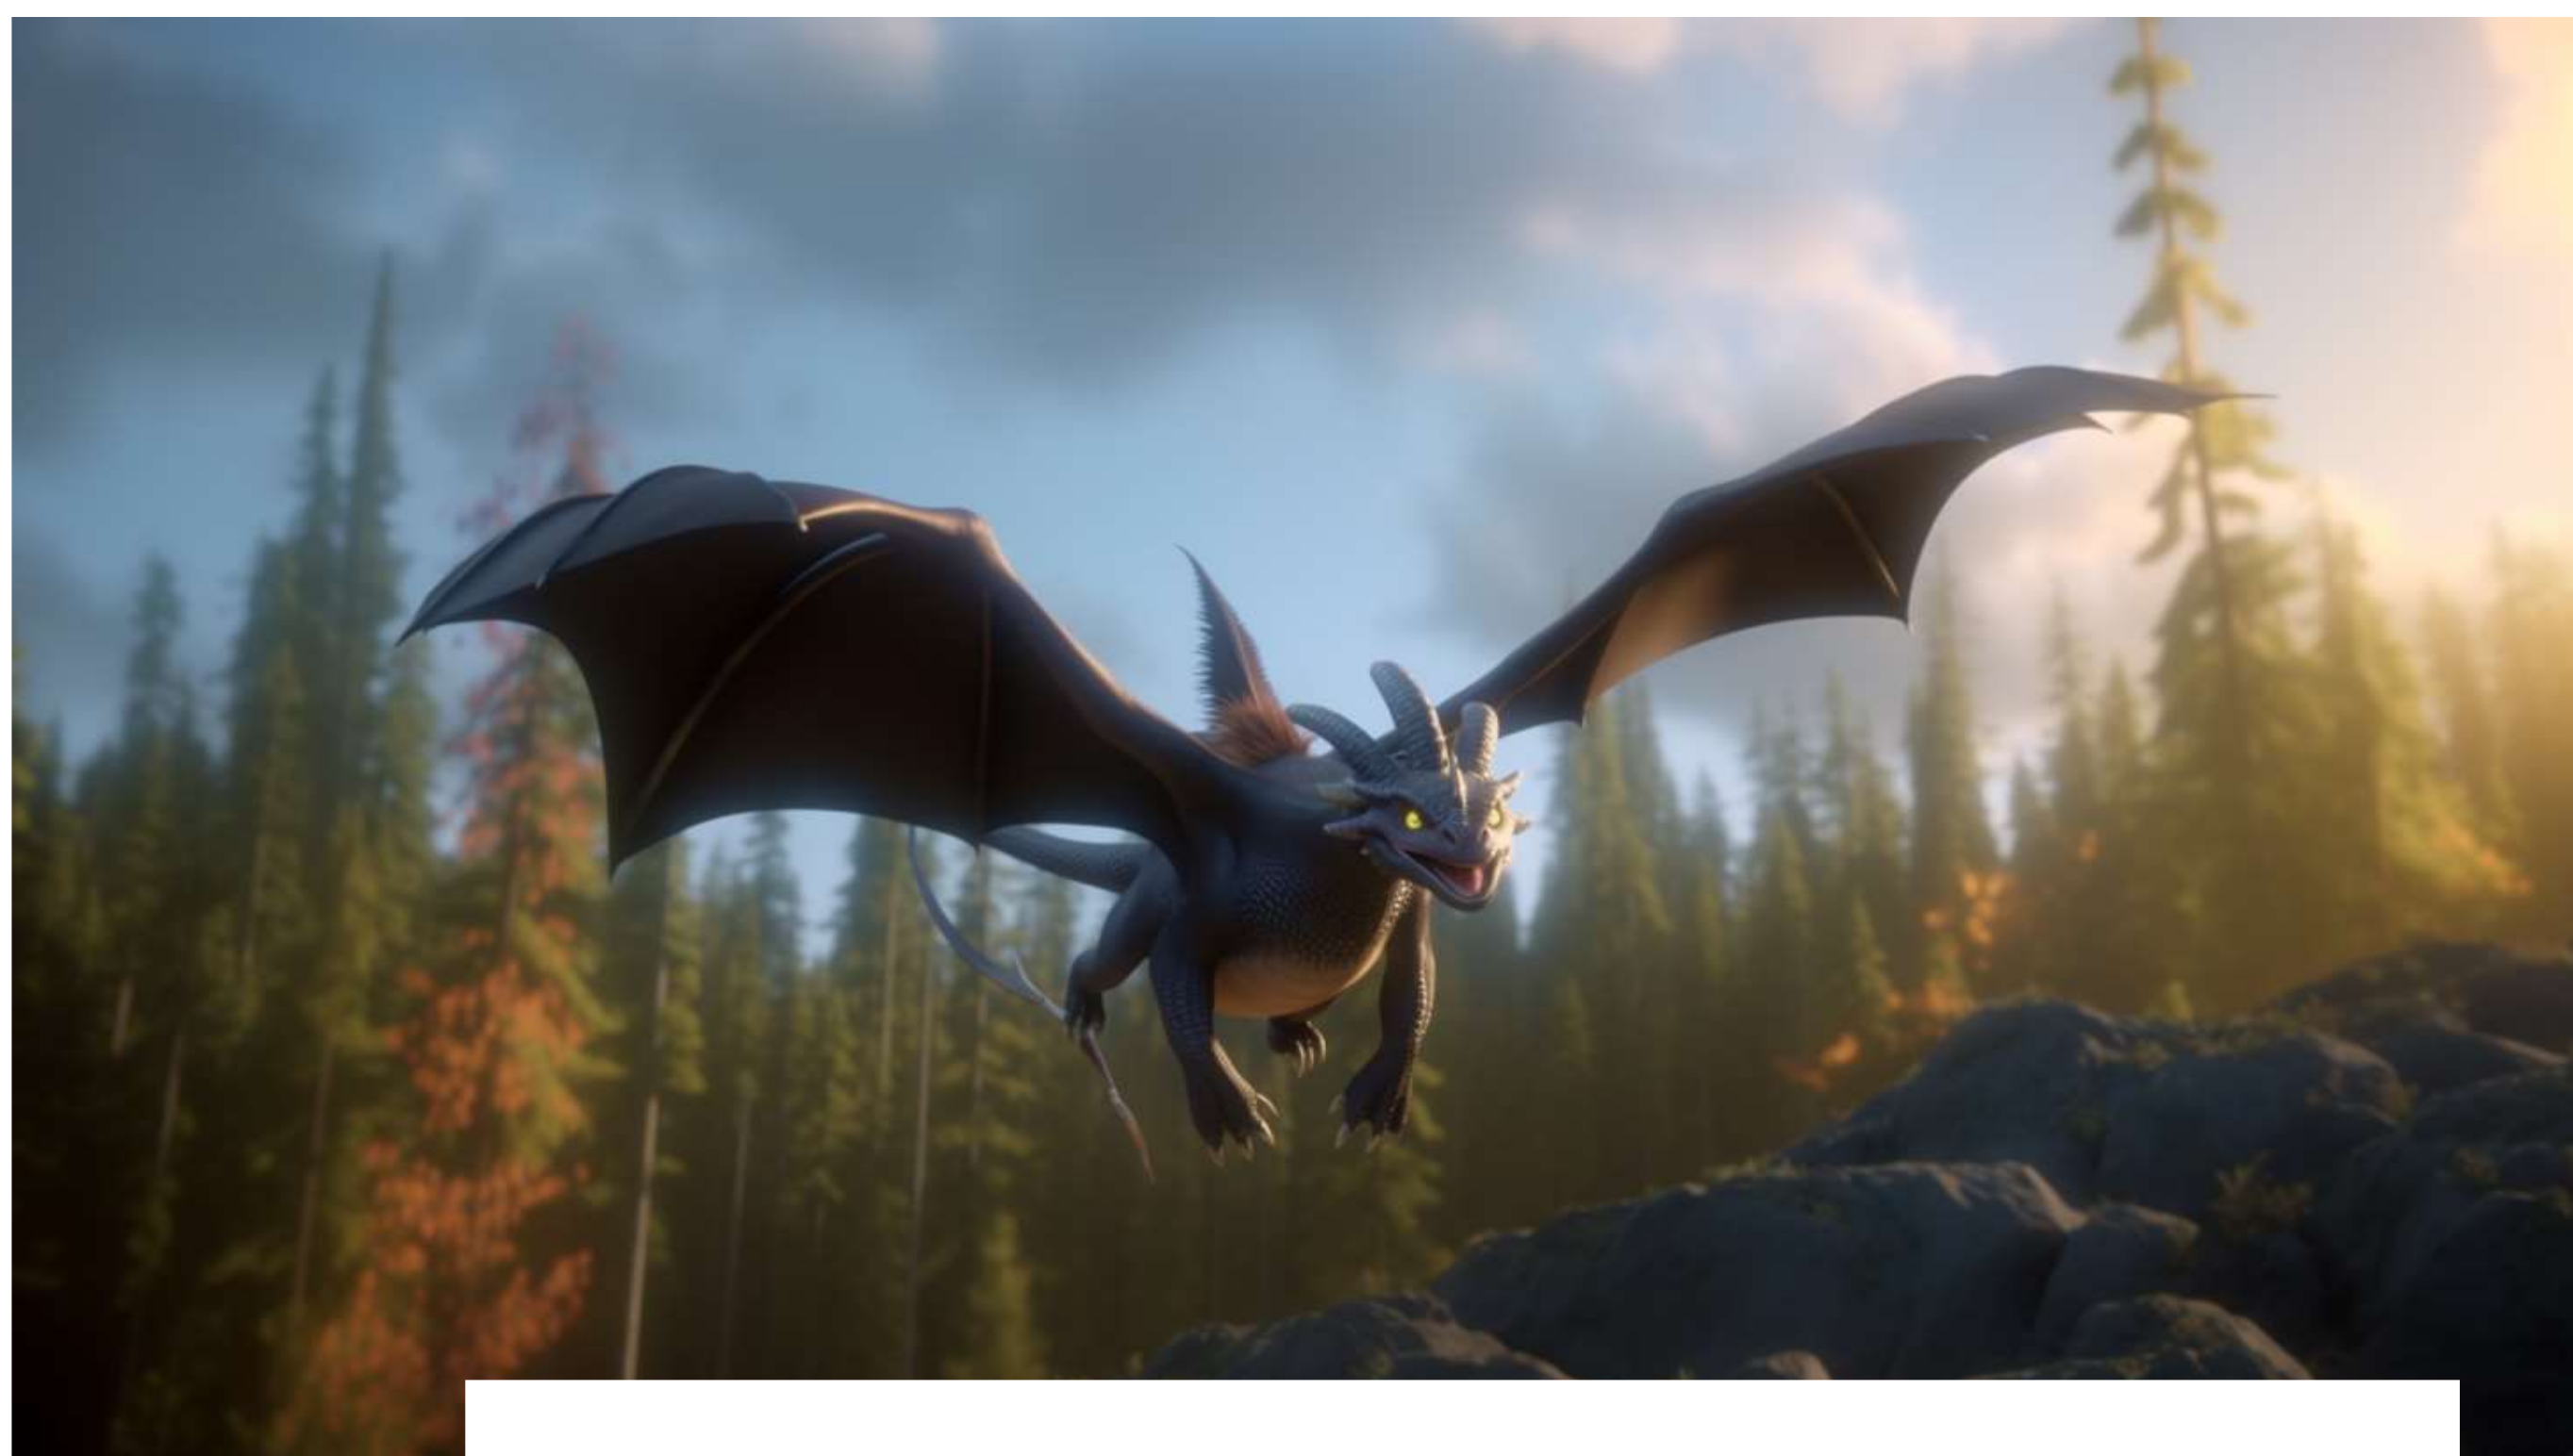

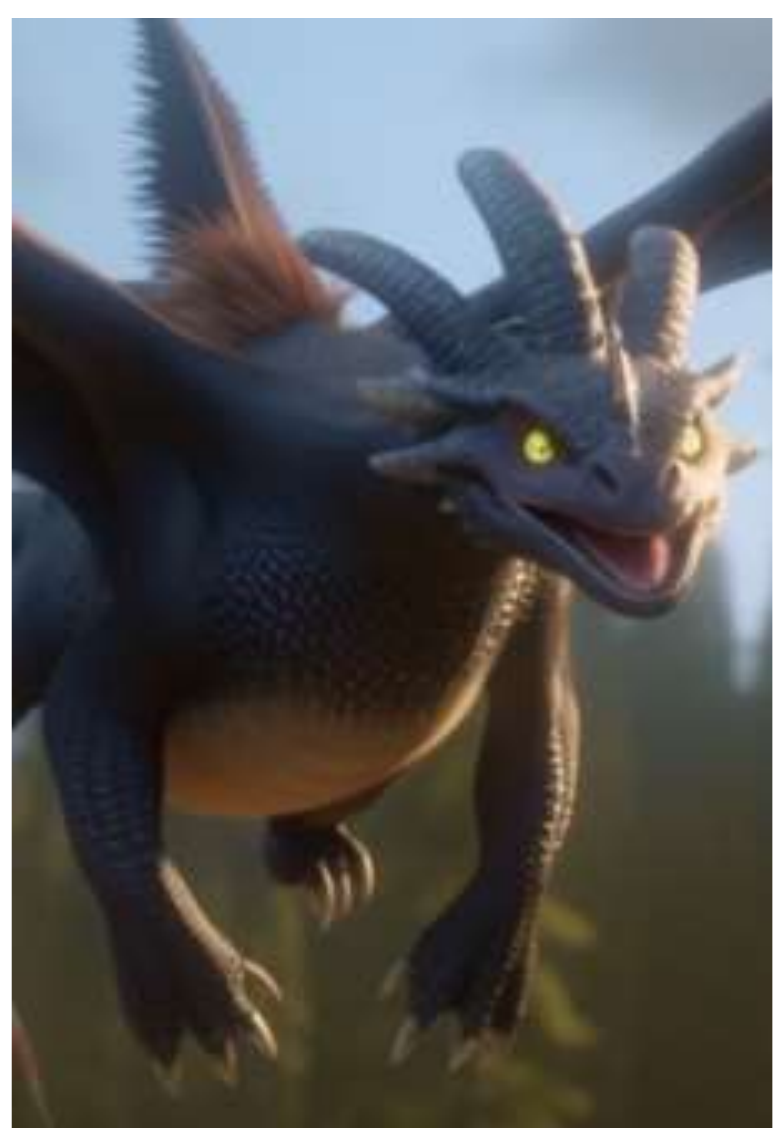

once upon a time, there was a kind Flying Dragon
named Drake. He lived high up in the mountains
and loved to soar in the bright blue sky.

One day, while Drake was flying, he saw a little lost bunny named Bella. Bella was scared and didn't know where to go.

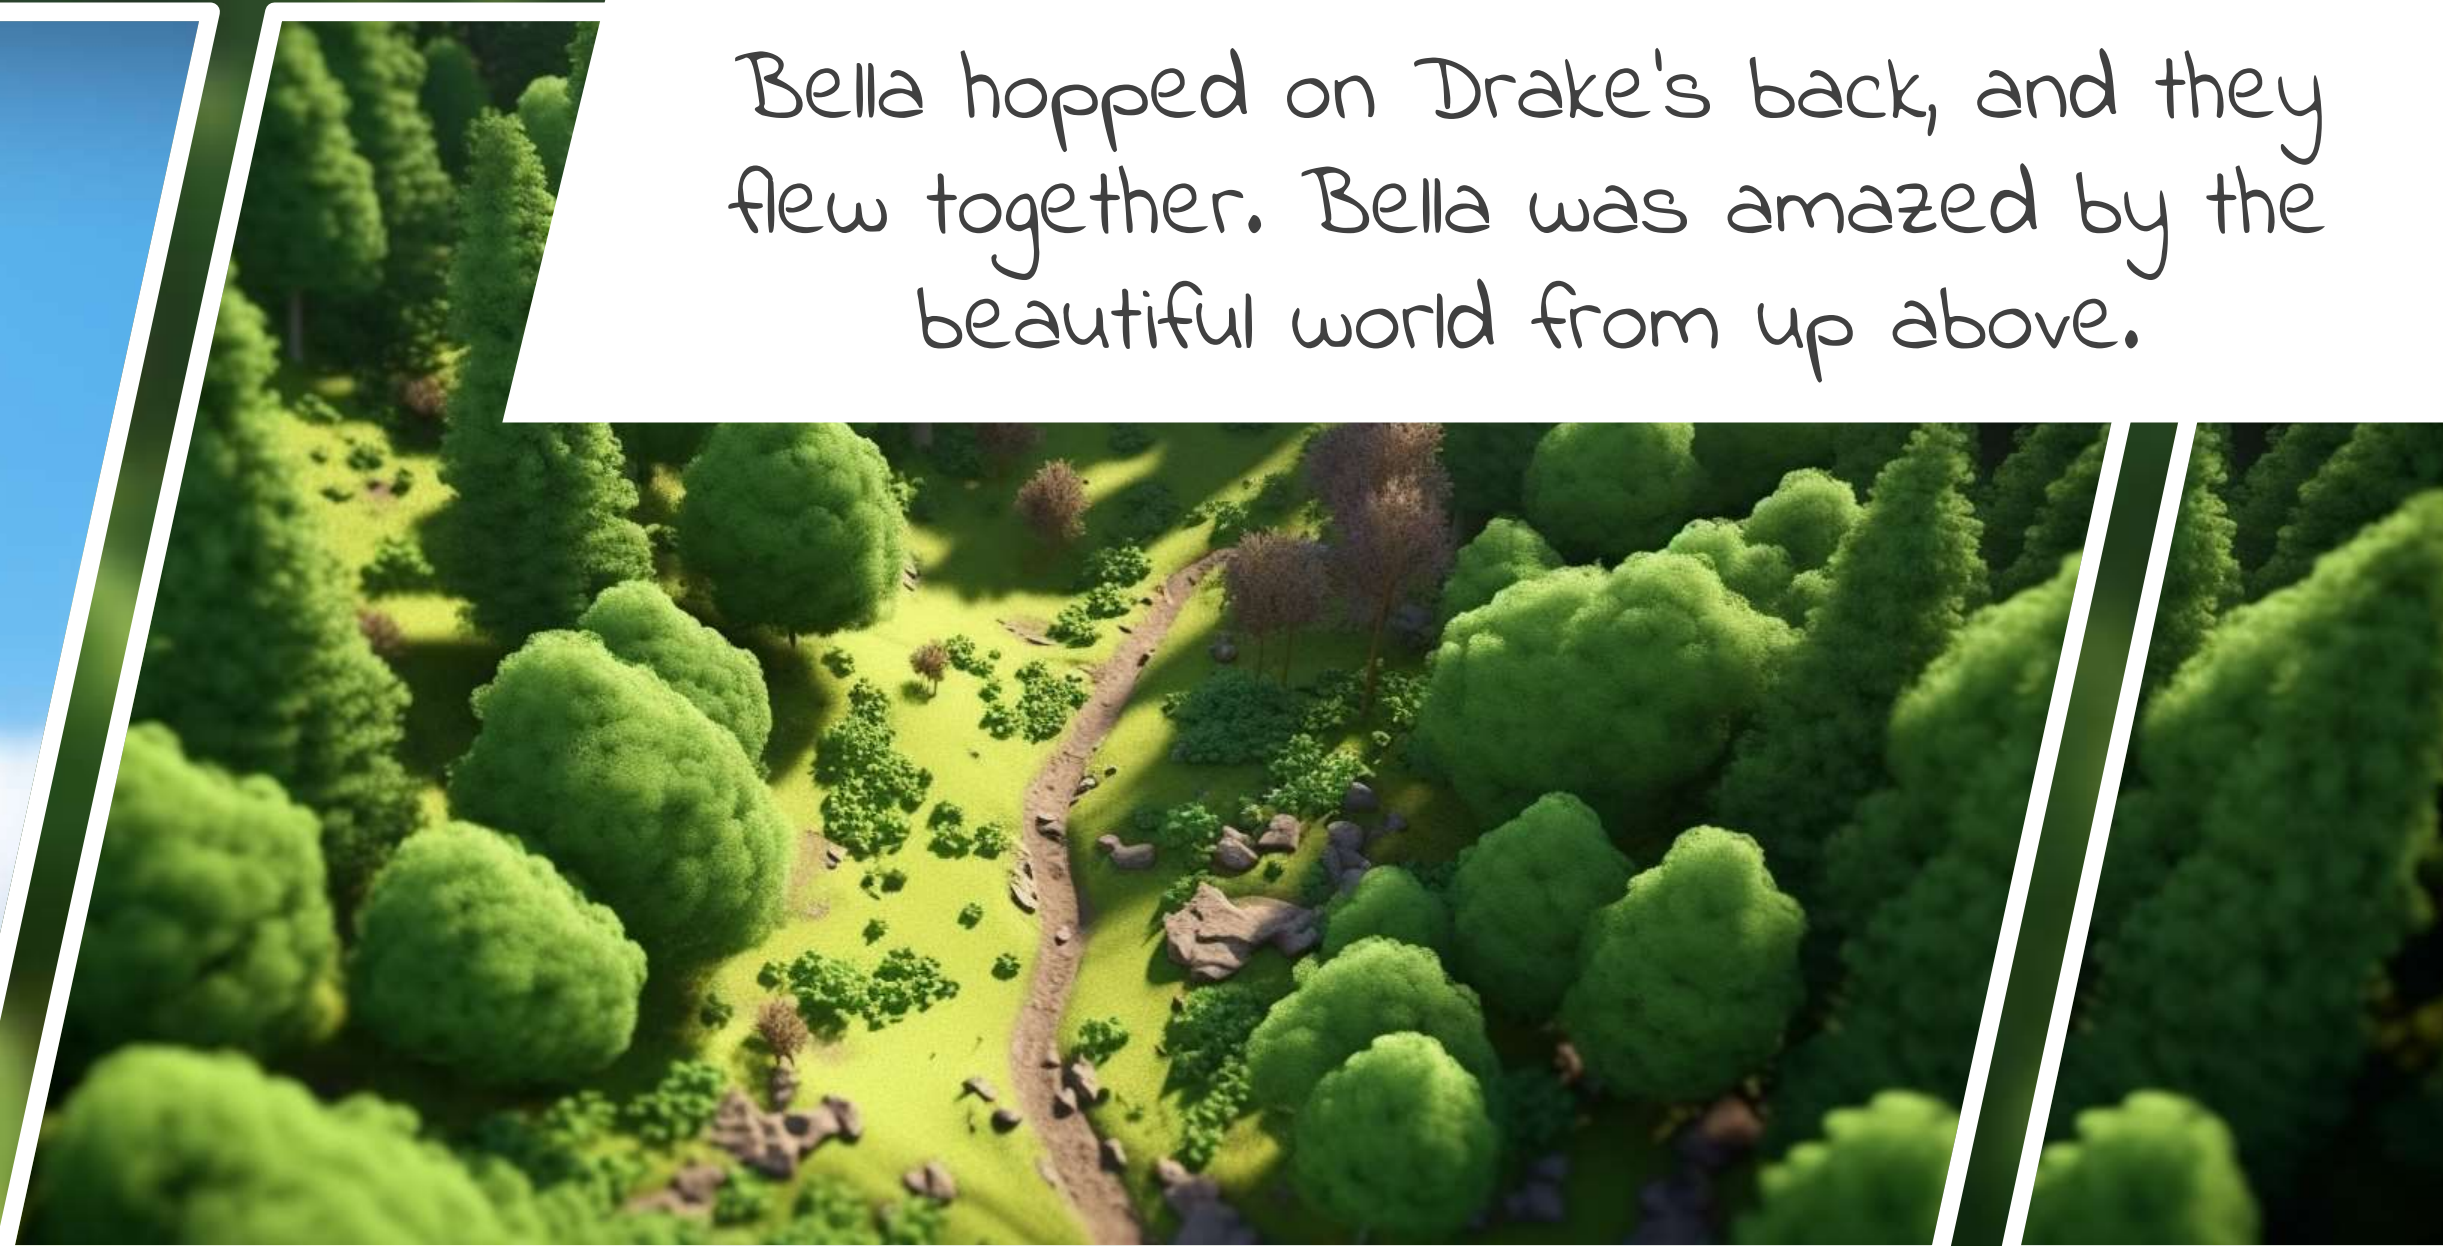

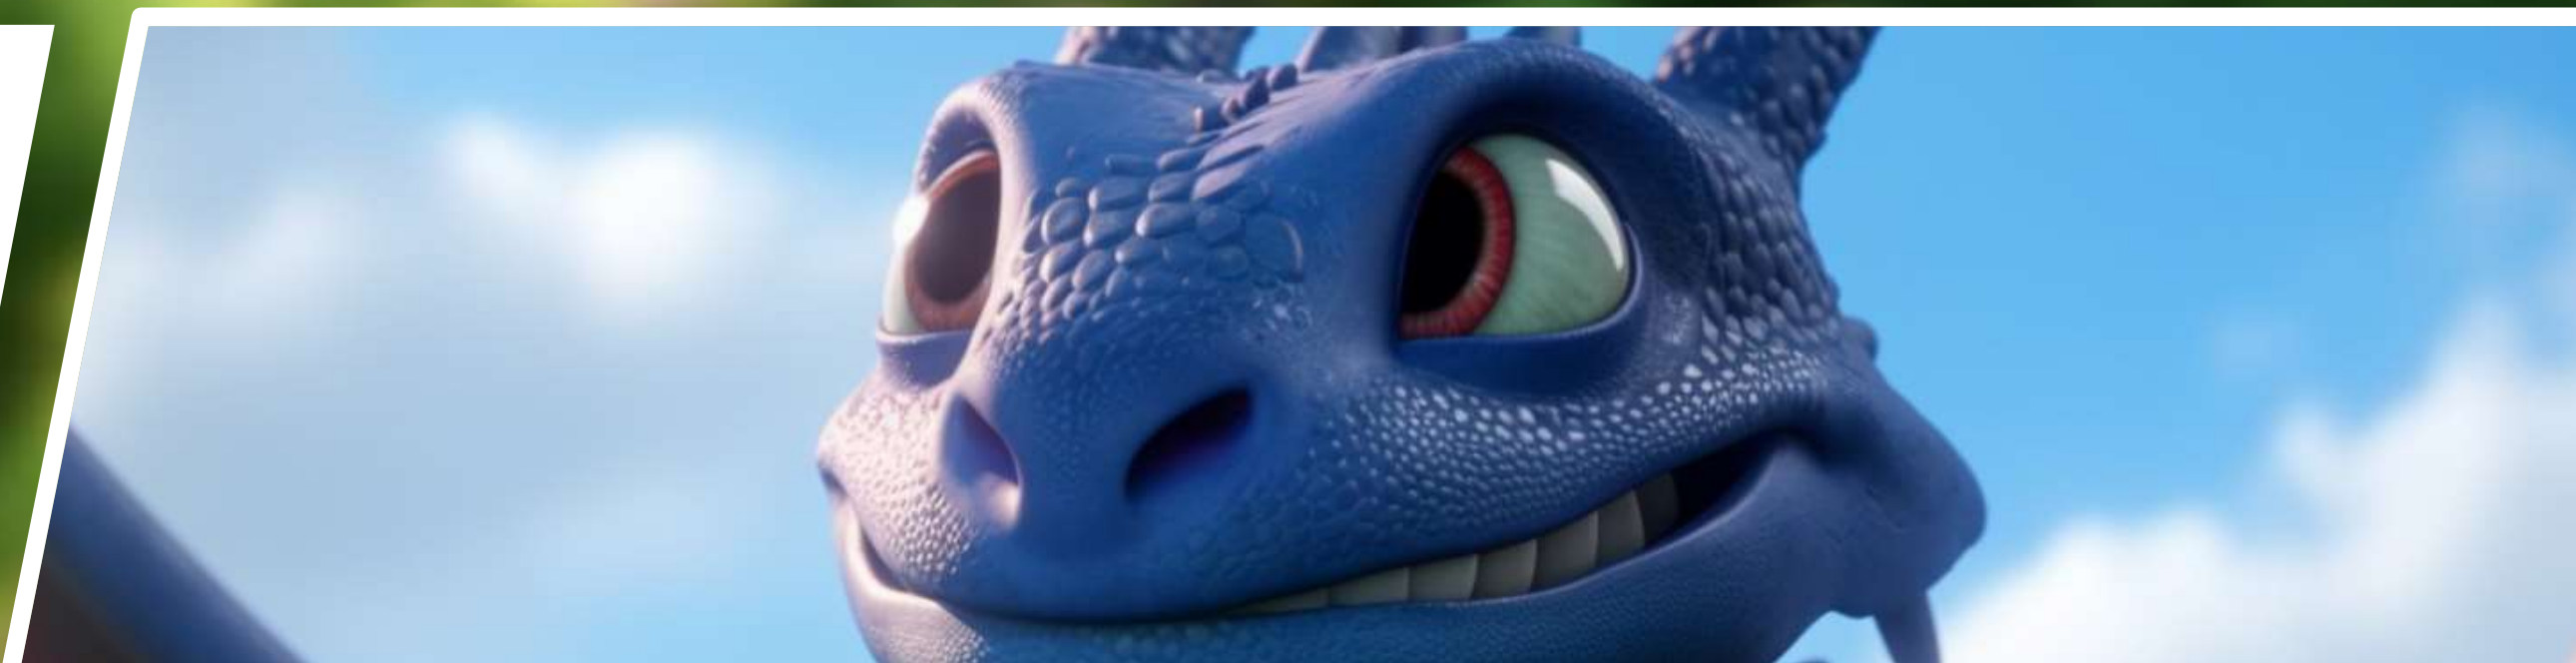

Drake gently landed next to Bella and said, "Don't be afraid. I'm here to help. I will take you home."

Bella hopped on Drake's back, and they flew together. Bella was amazed by the beautiful world from up above.

As they flew, they talked and laughed, becoming fast friends.

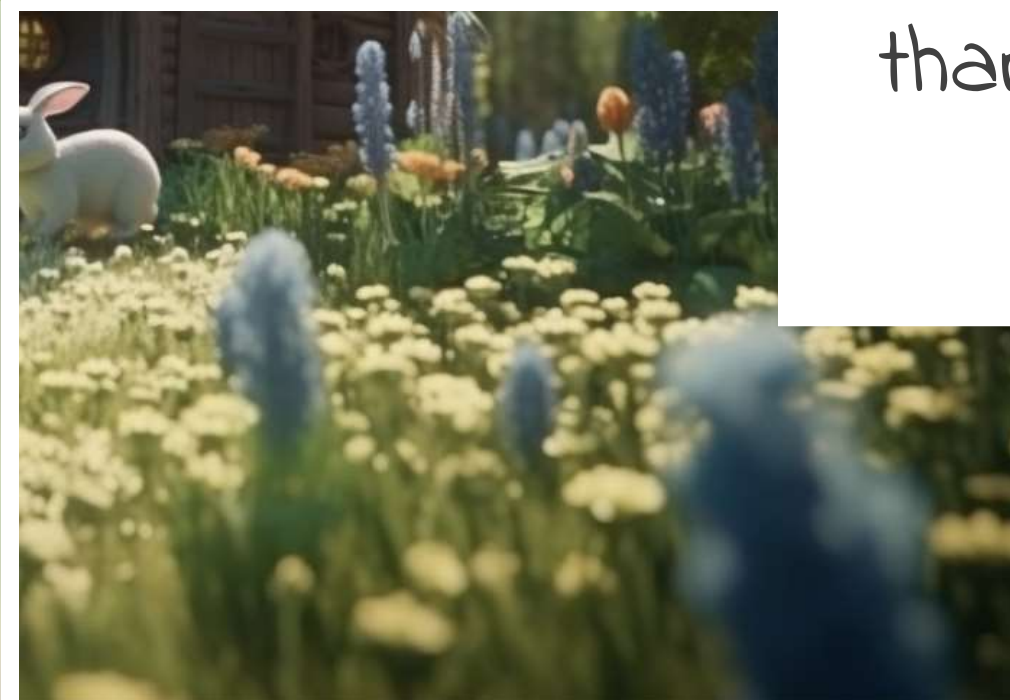

Drake showed Bella his secret flying tricks, making her giggle with joy.

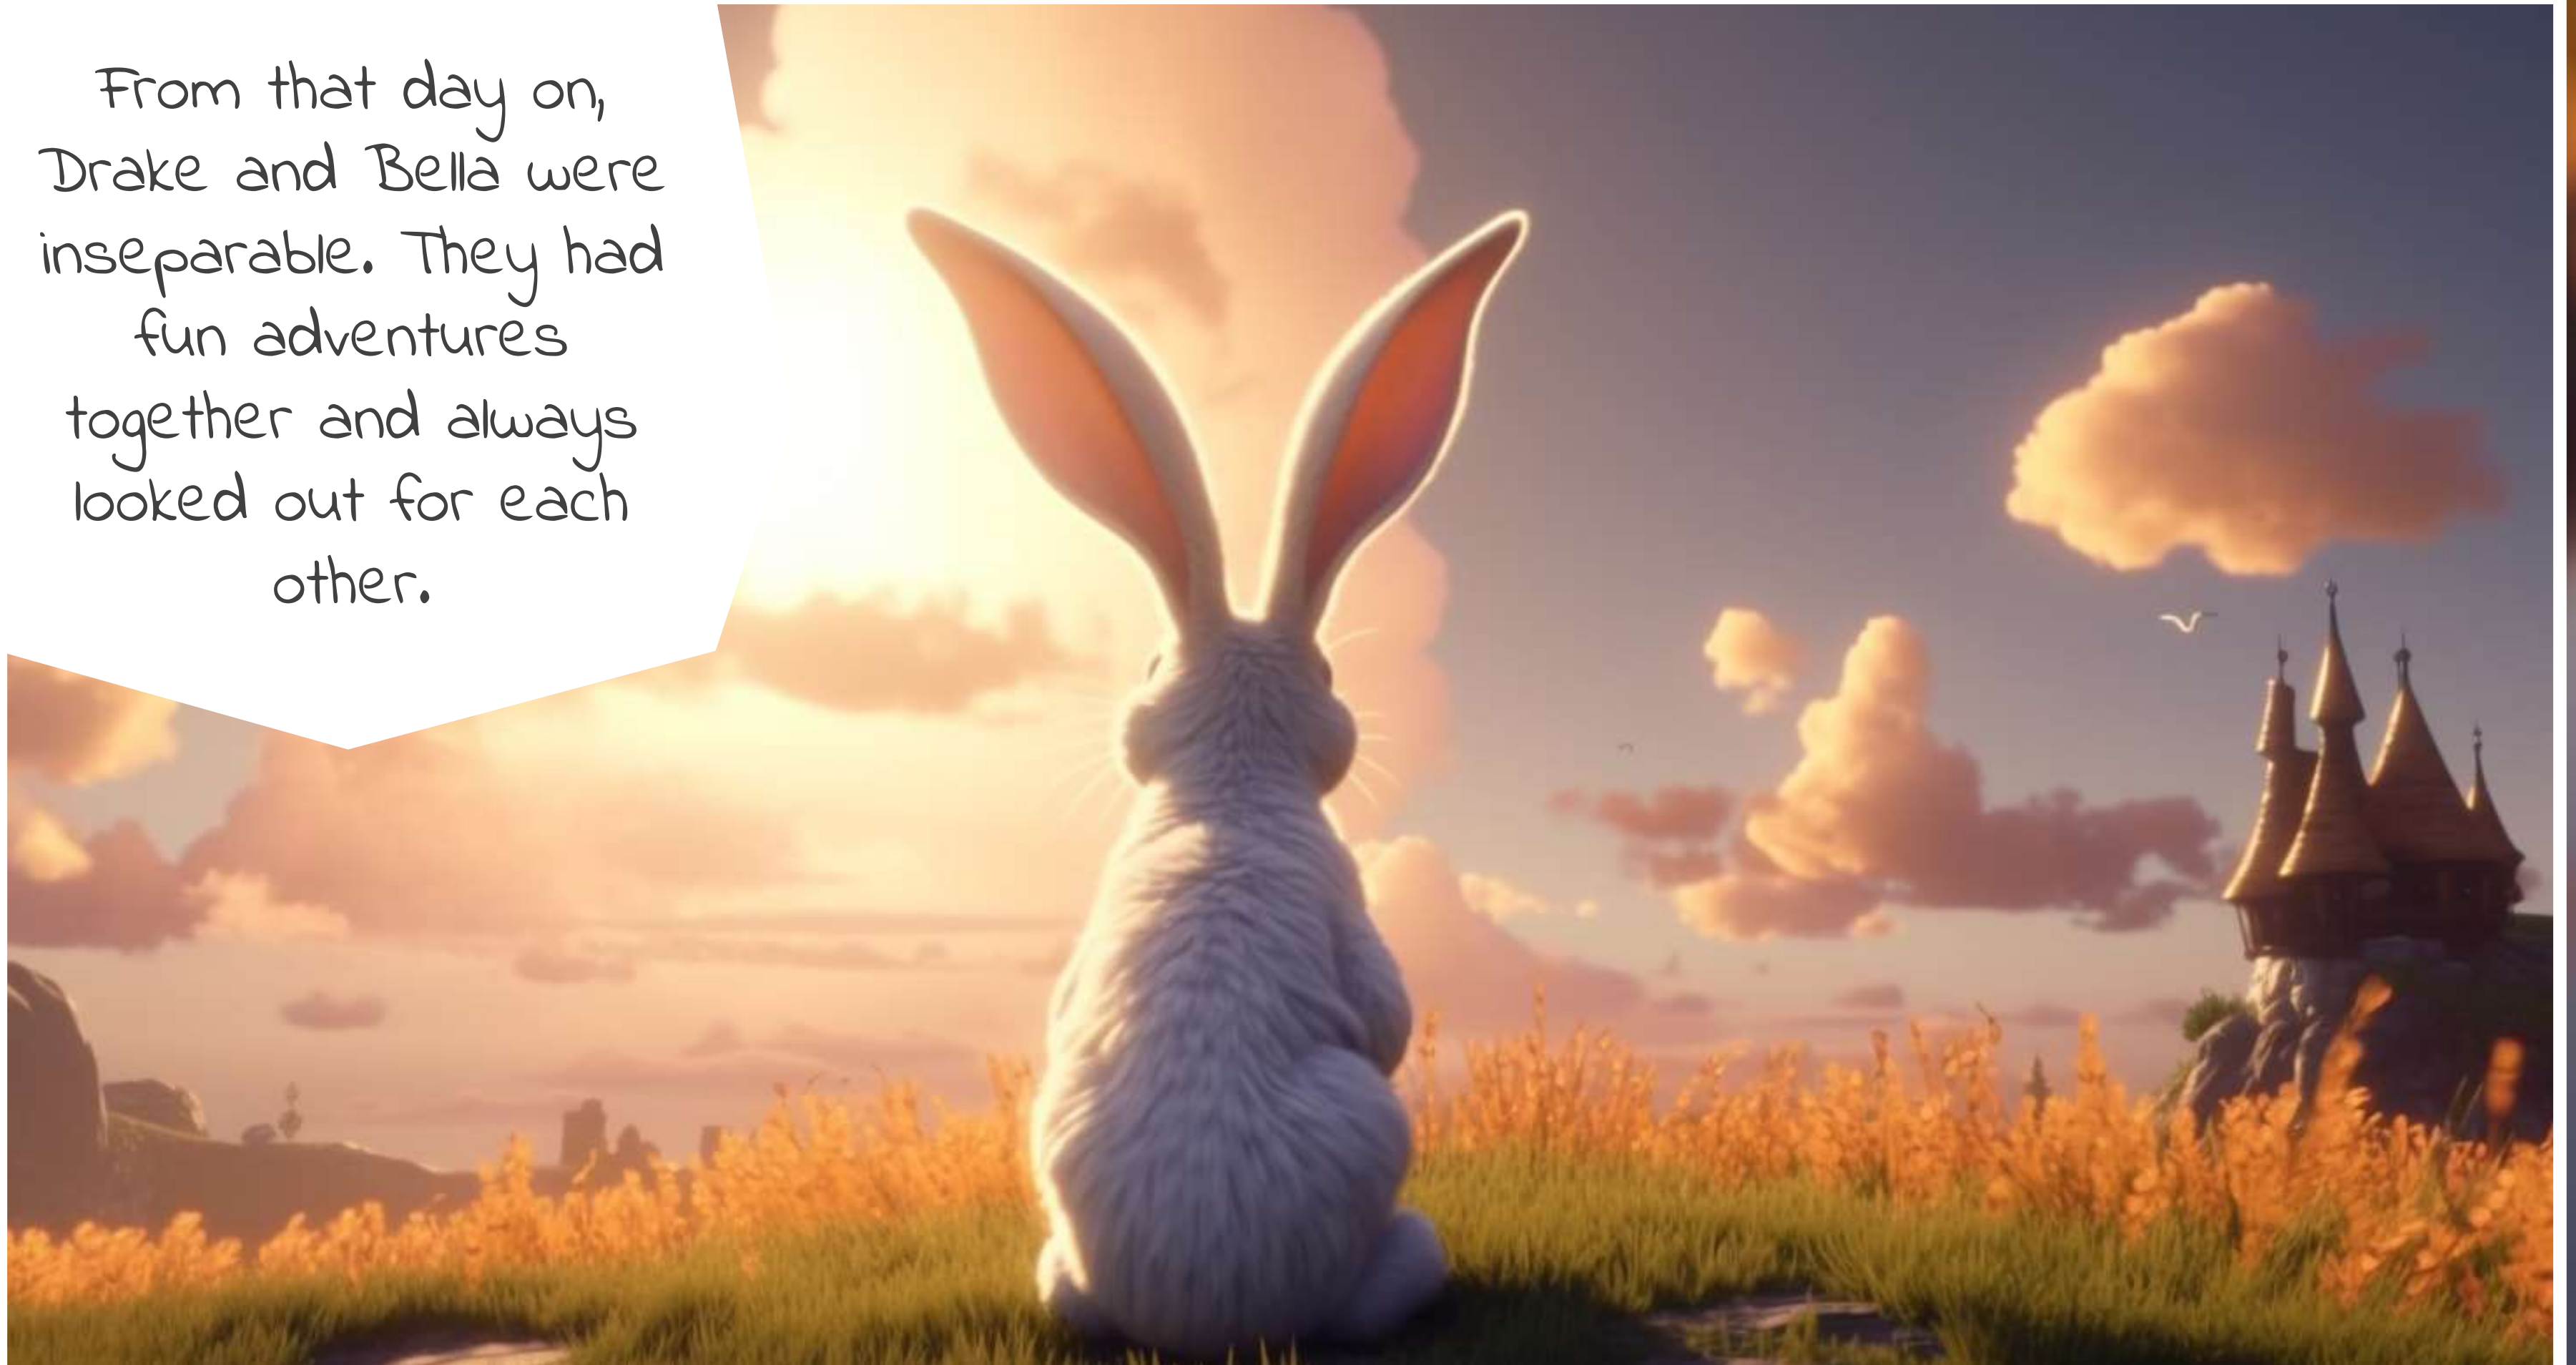

Finally, they reached Bella's home. She thanked Drake with a big hug and said, "You're the best friend ever!"

From that day on,
Drake and Bella were
inseparable. They had
fun adventures
together and always
looked out for each
other.

Their tale of friendship spread throughout the land, inspiring others to be kind and make new friends, just like the Flying Dragon and the little bunny.

And so, the Flying Dragon's Tale of Friendship showed that true friends can be different but still share love and joy, making their world a better and happier place.
