

# friends from Near and Far

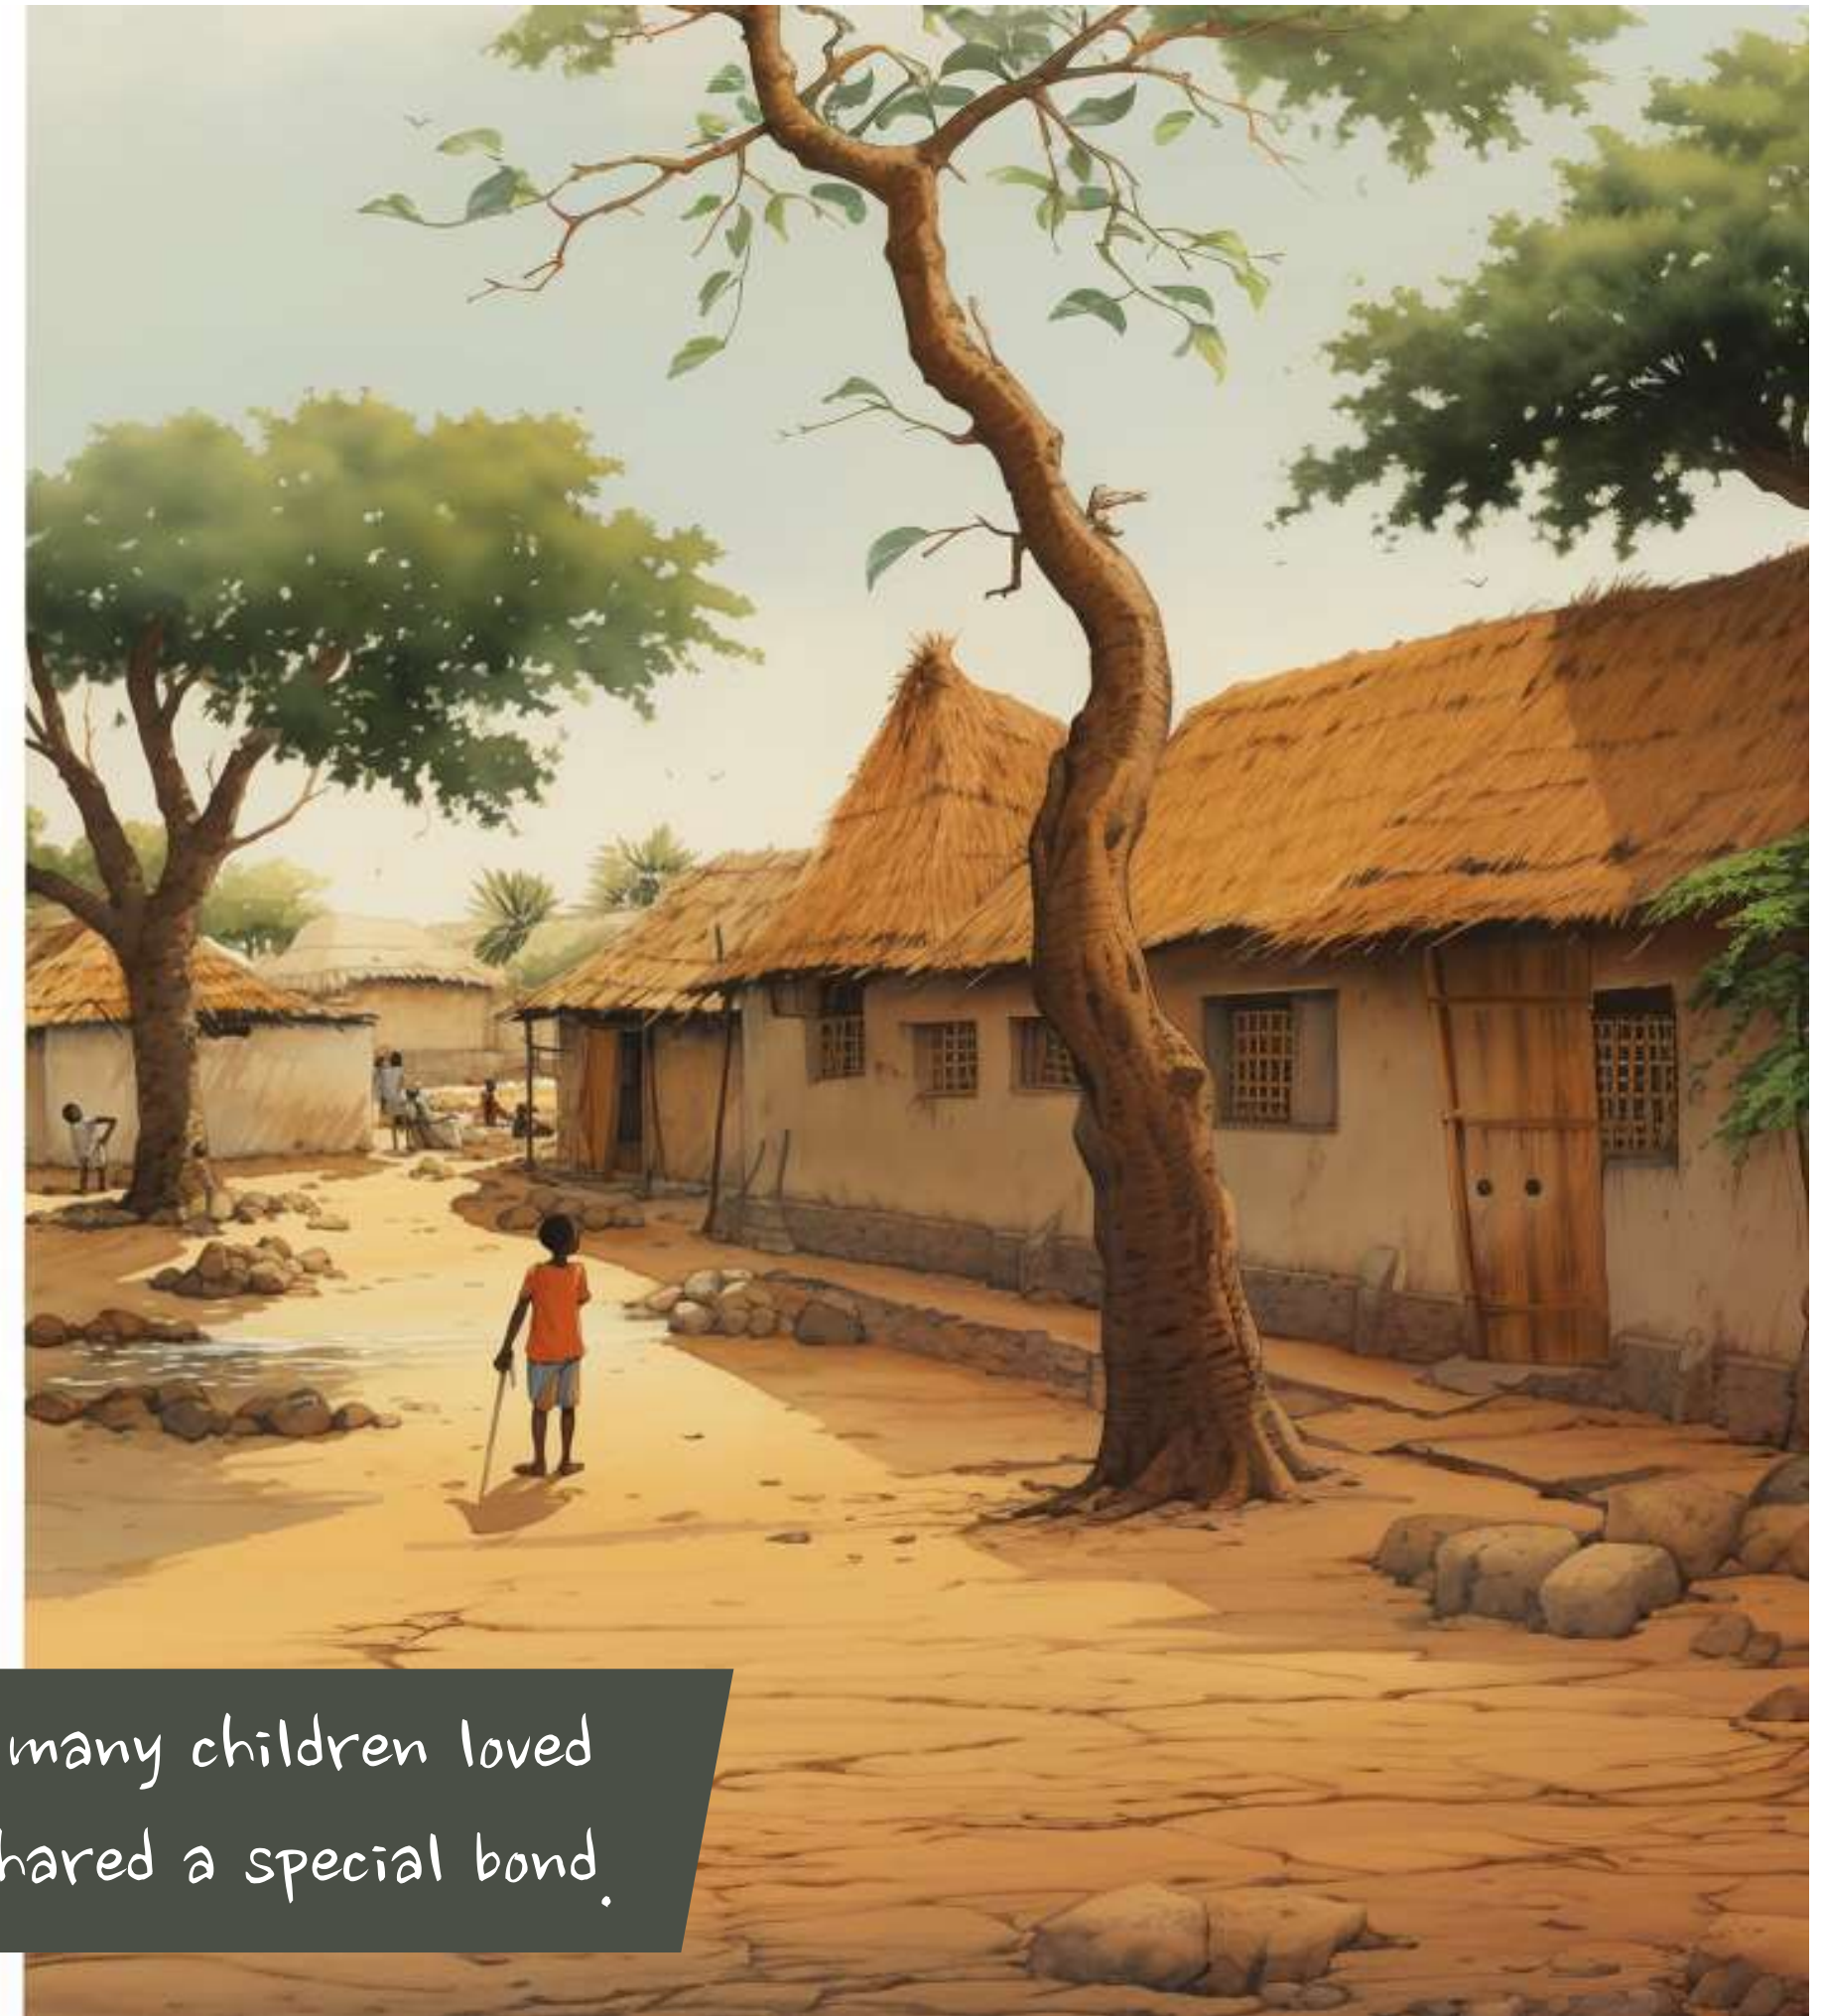

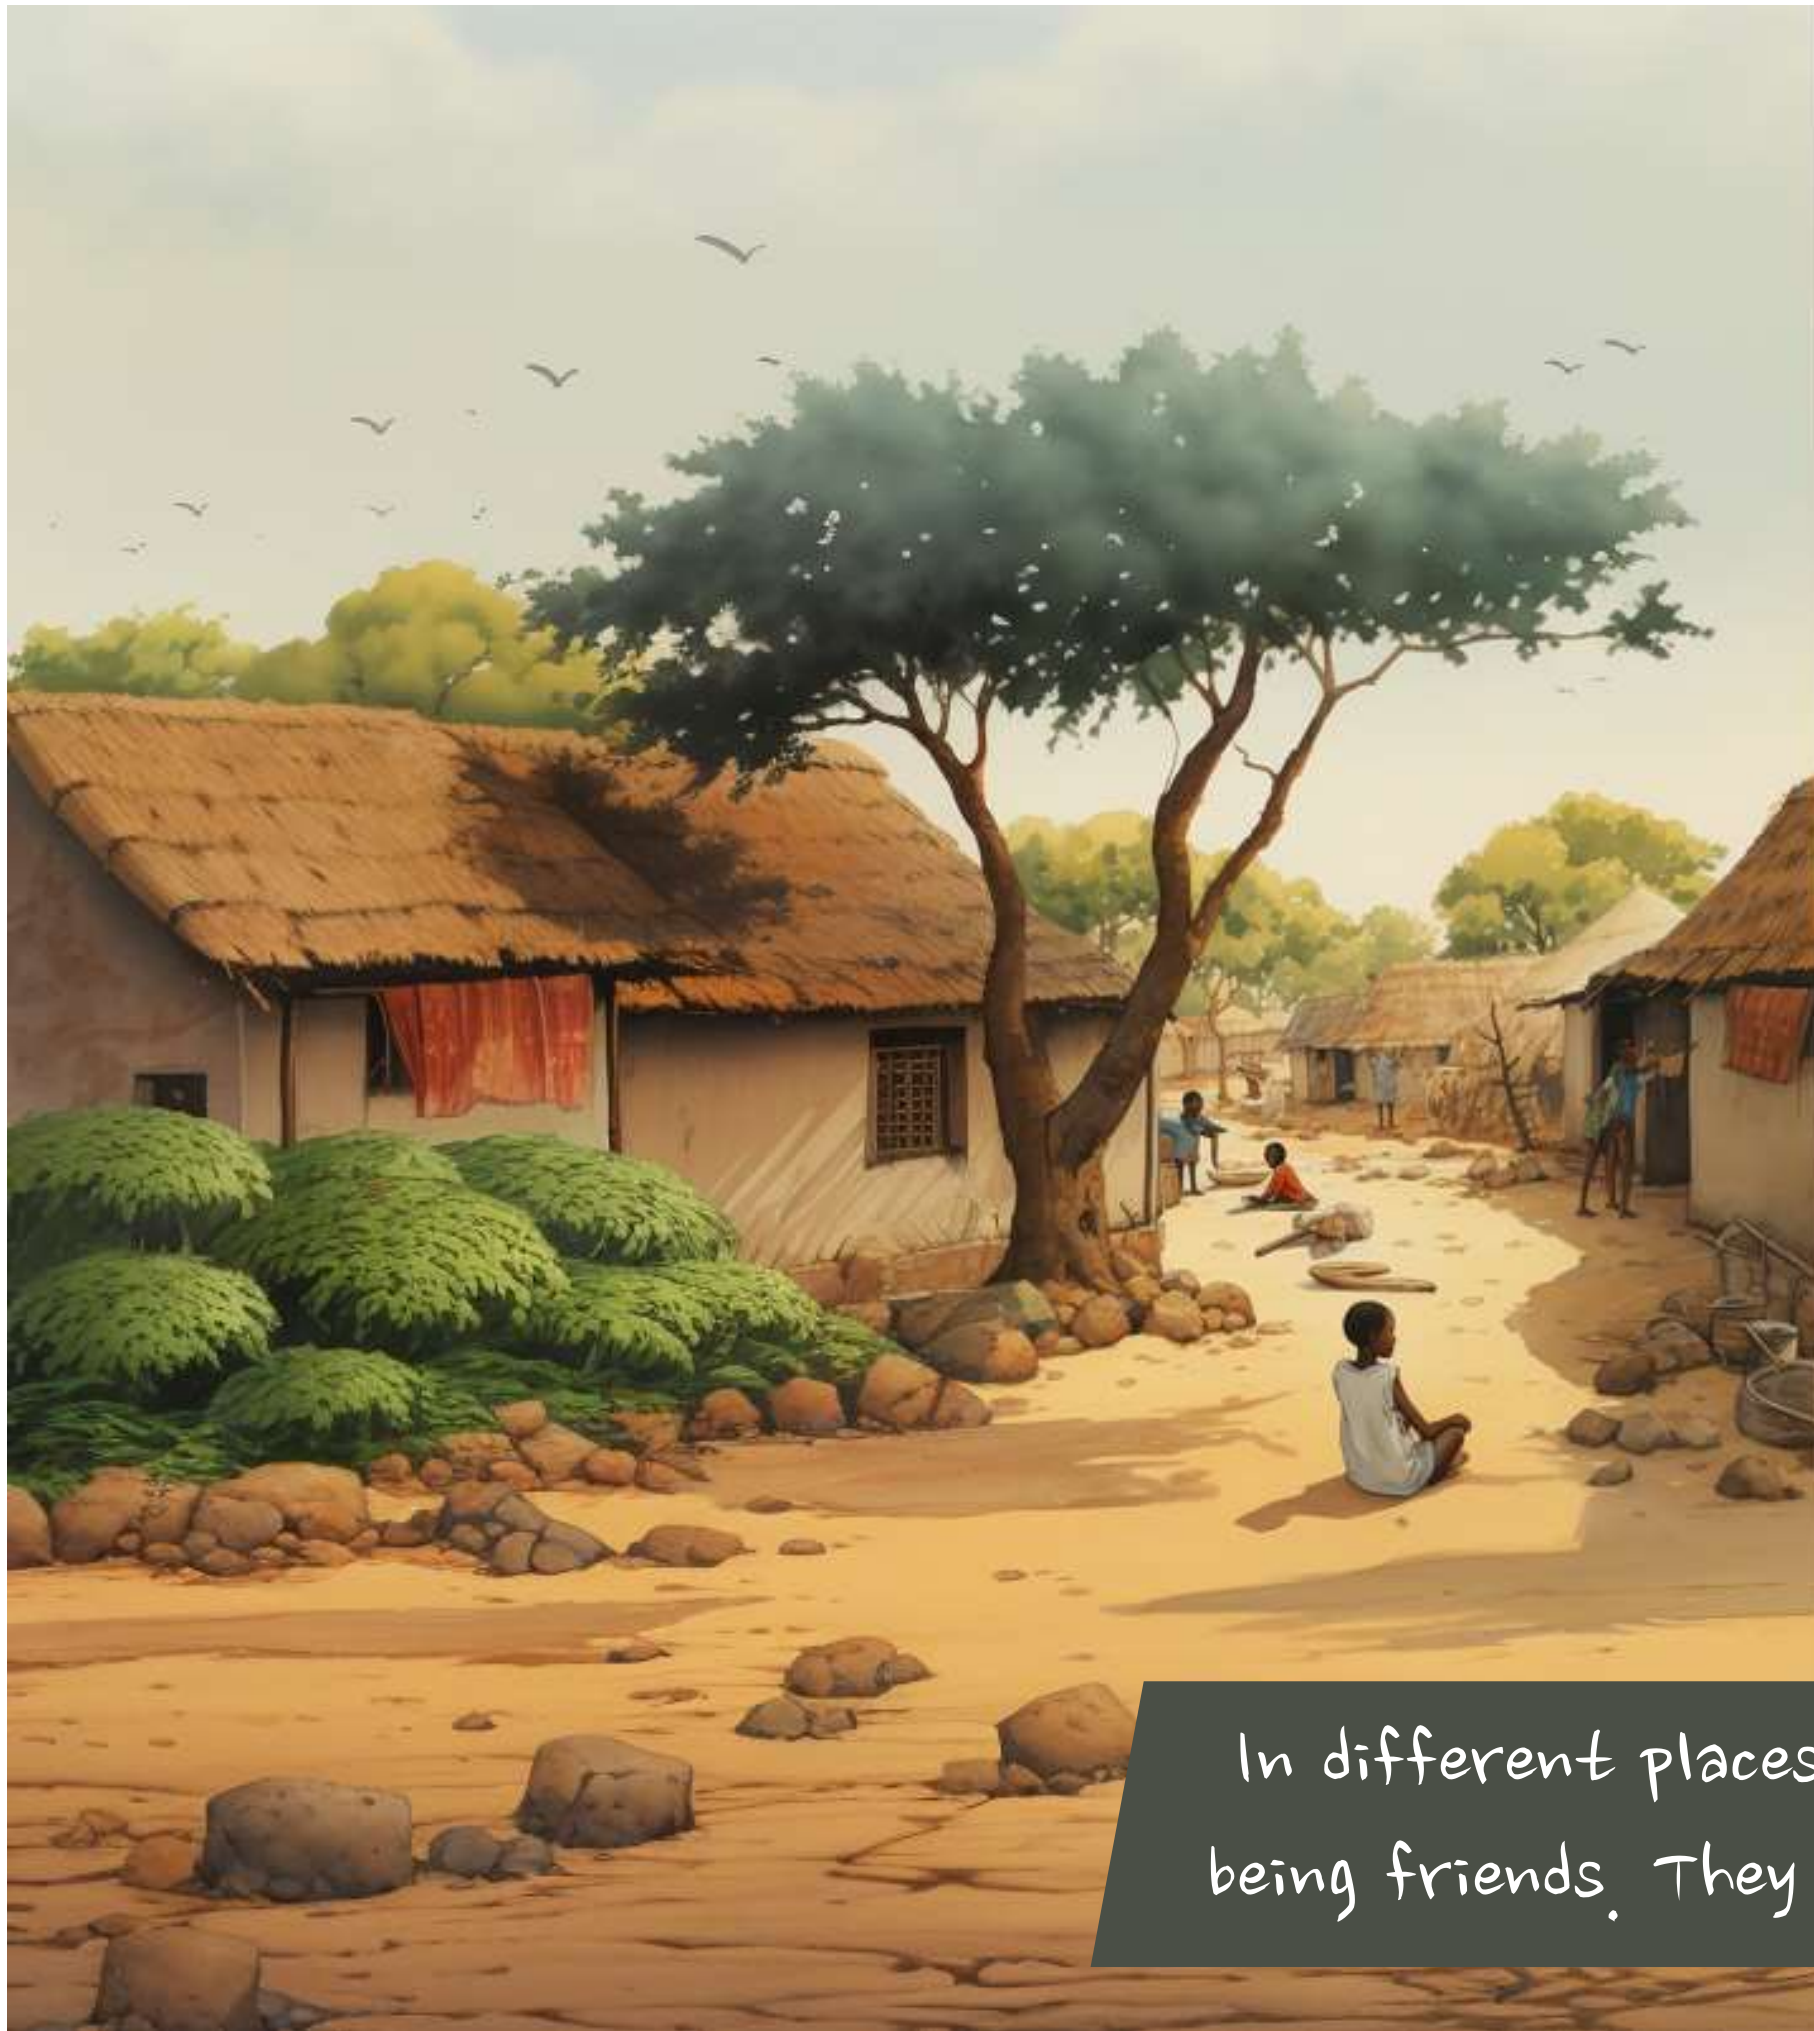

This enchanting children's fairy tale is a magical fantasy with valuable life lessons, so remember, it's all just pretend and enjoy the journey with parental guidance

In different places, many children loved being friends. They shared a special bond.

one day, obi  
met kato. obi  
was from one  
place, and kato  
from another. They smiled and said, "Hi!"

Obi showed Kato how to  
play a game. Kato taught  
Obi something fun too.

They laughed and played together,  
having a great time.

Later, Juma joined them. They made a special spot under a big tree.

They talked and shared  
stories, dreams, and new  
things they knew.

Obi learned something from Kato, and Kato  
from Juma. Everyone helped each other.

When someone was  
sad, they comforted  
them. When someone  
needed help, they  
joined hands.

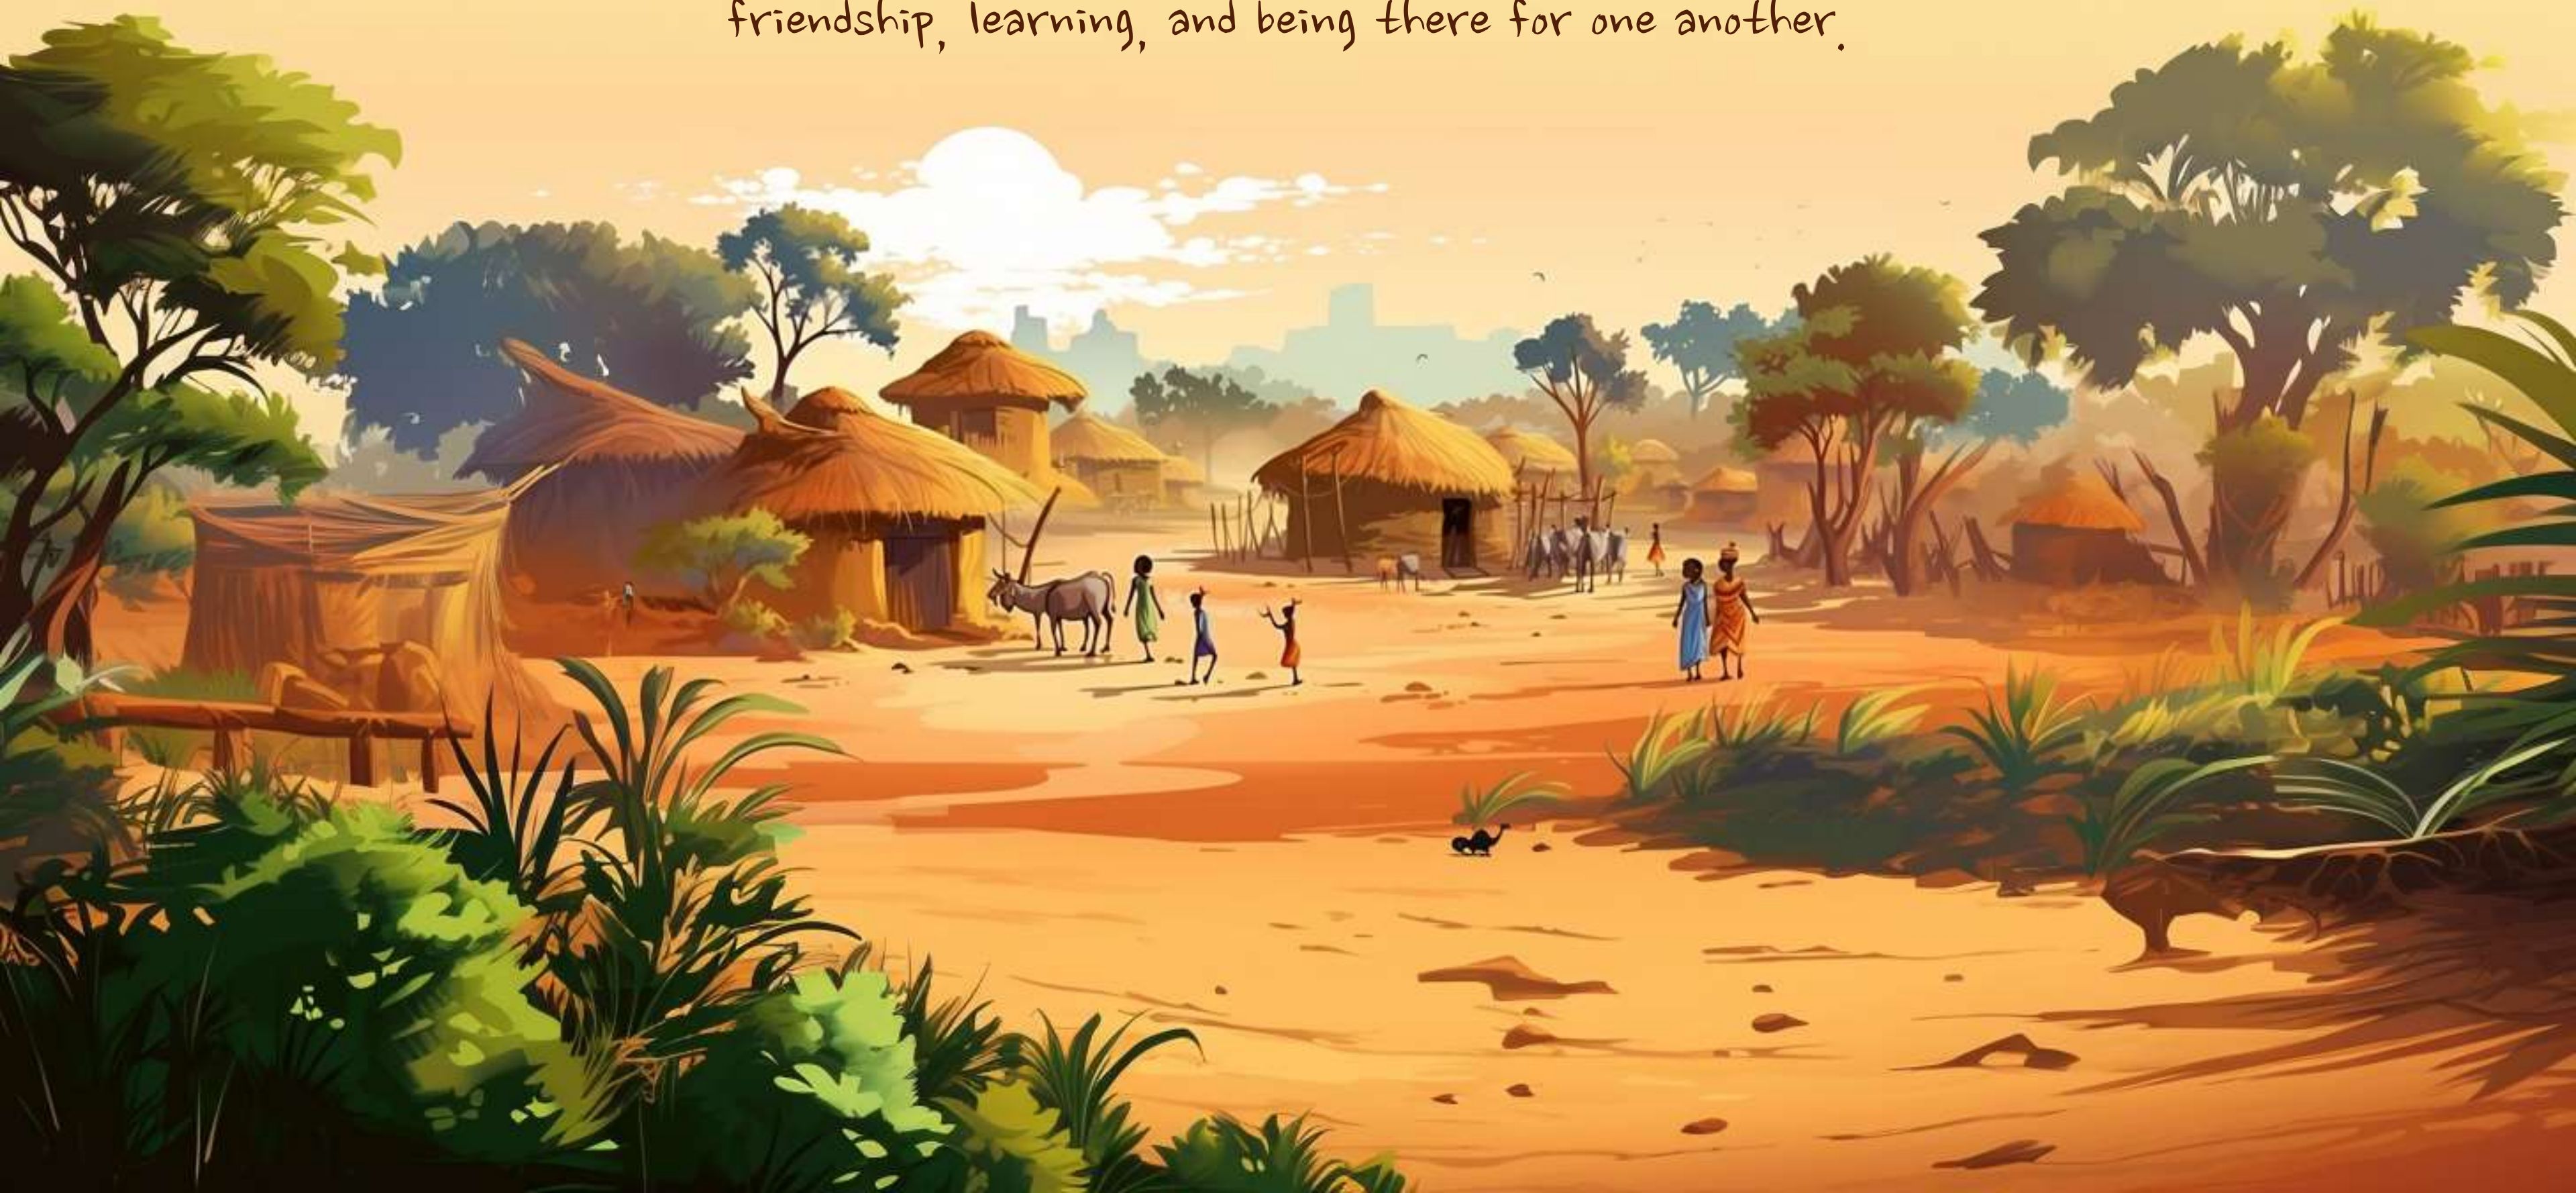

Their friendship taught that no matter where you're from,  
you can be friends and care for each other.

And so, the story of Obi, Kato, and Juma taught us about  
friendship, learning, and being there for one another.
