

# Leo The Lighthouse Hero

Guiding Light in the Storm

This enchanting children's fairy tale is a magical fantasy with valuable life lessons, so remember, it's all just pretend and enjoy the journey with parental guidance

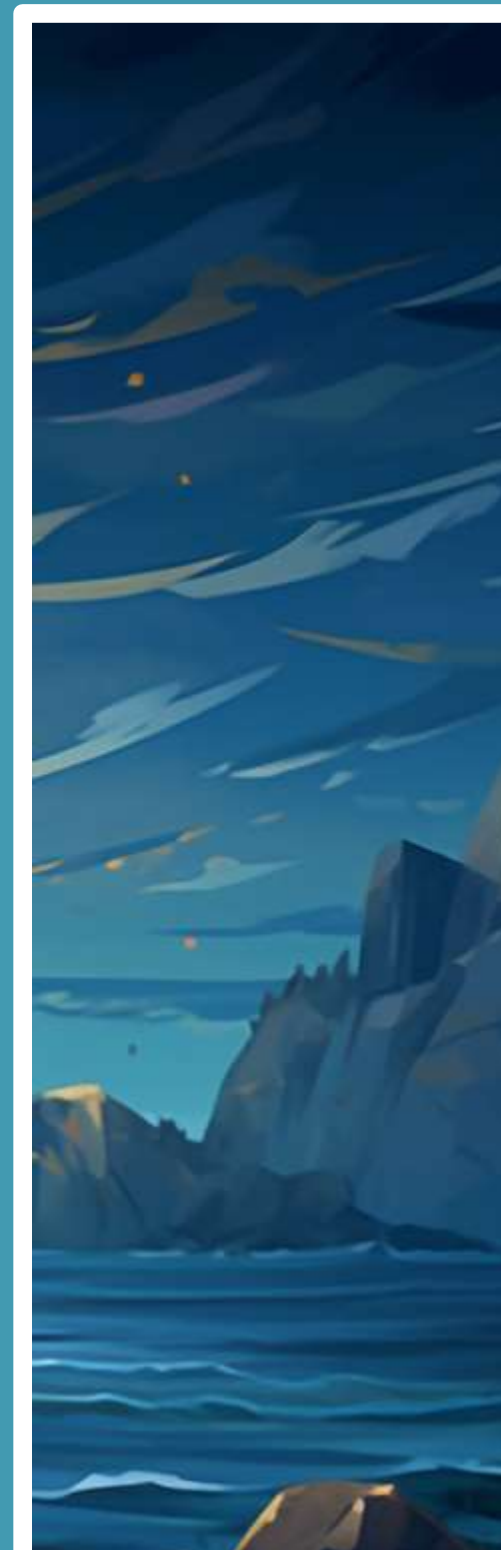

Leo was a young sea otter who lived by the sea. He had a special job – taking care of a lighthouse on a tall rock.

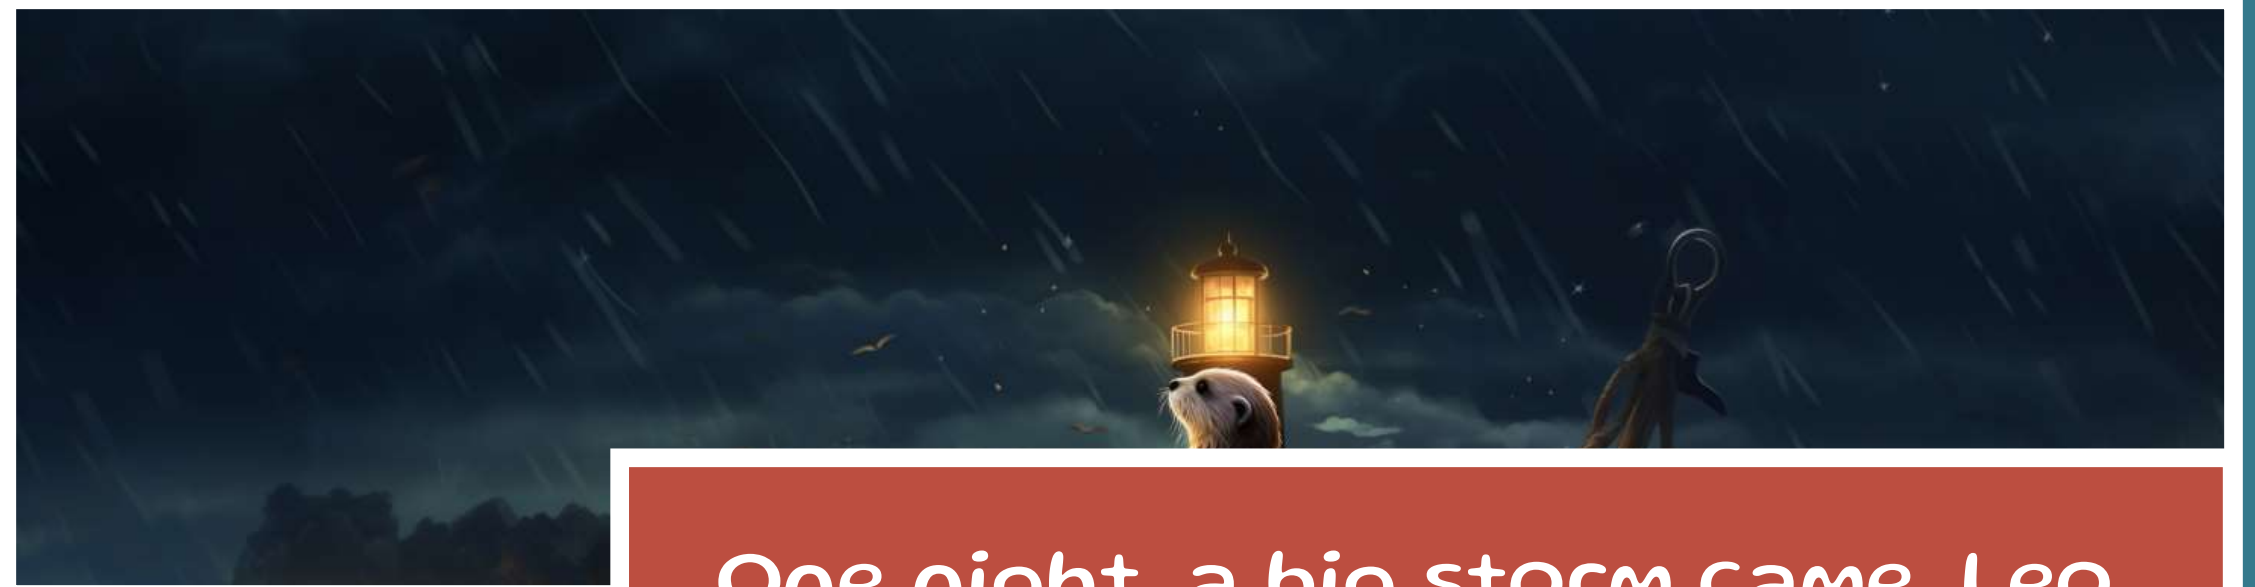

The lighthouse was like a giant lamp that helped ships not crash during storms.

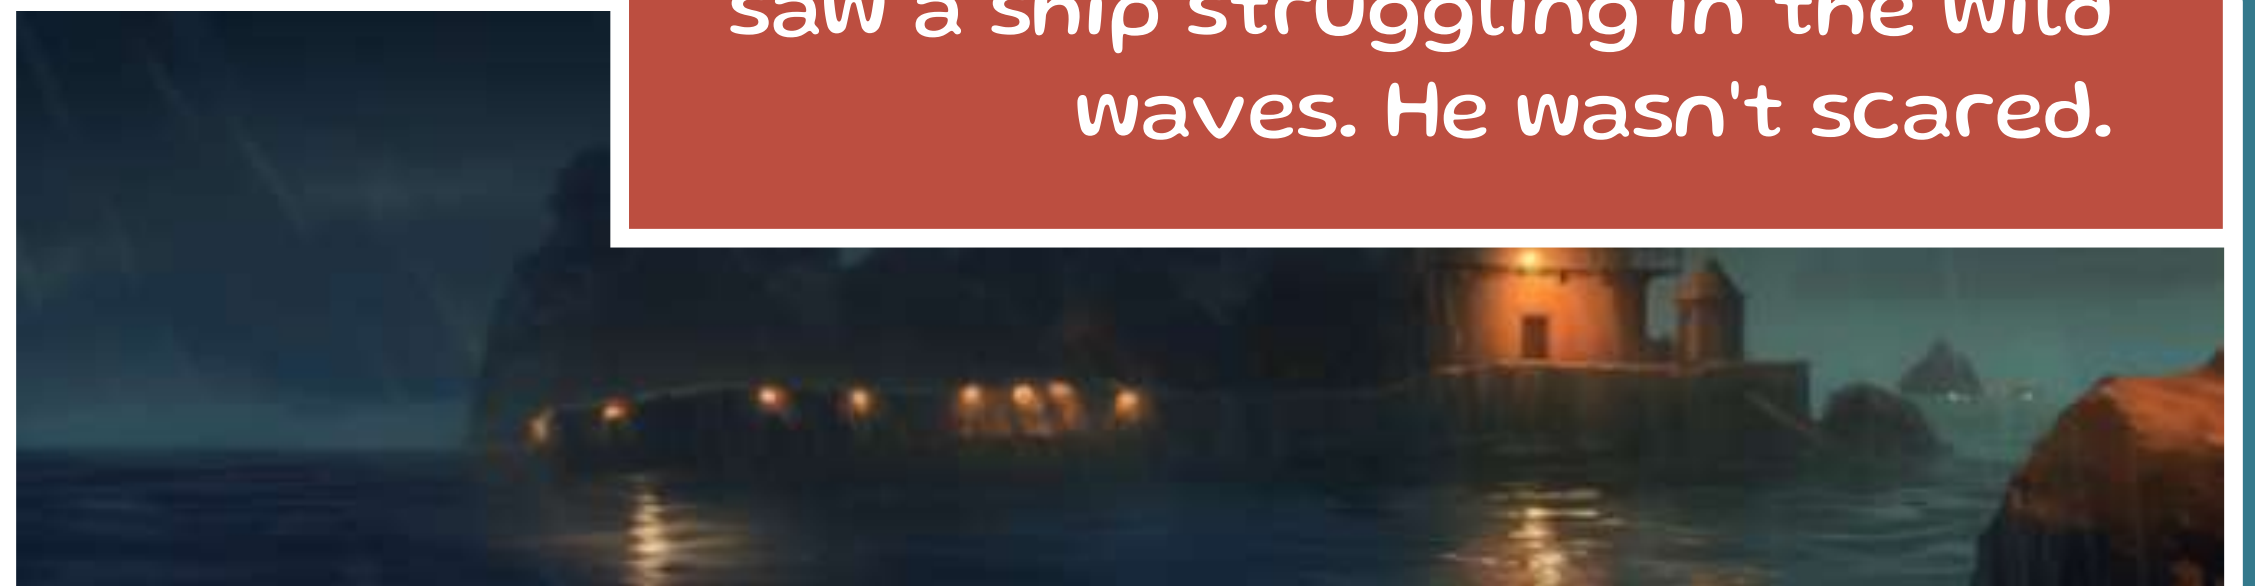

He swam through the  
splashing water to help.

One night, a big storm came. Leo  
saw a ship struggling in the wild  
waves. He wasn't scared.

Leo called out loudly,  
"Follow my voice! I'll  
guide you to safety!"

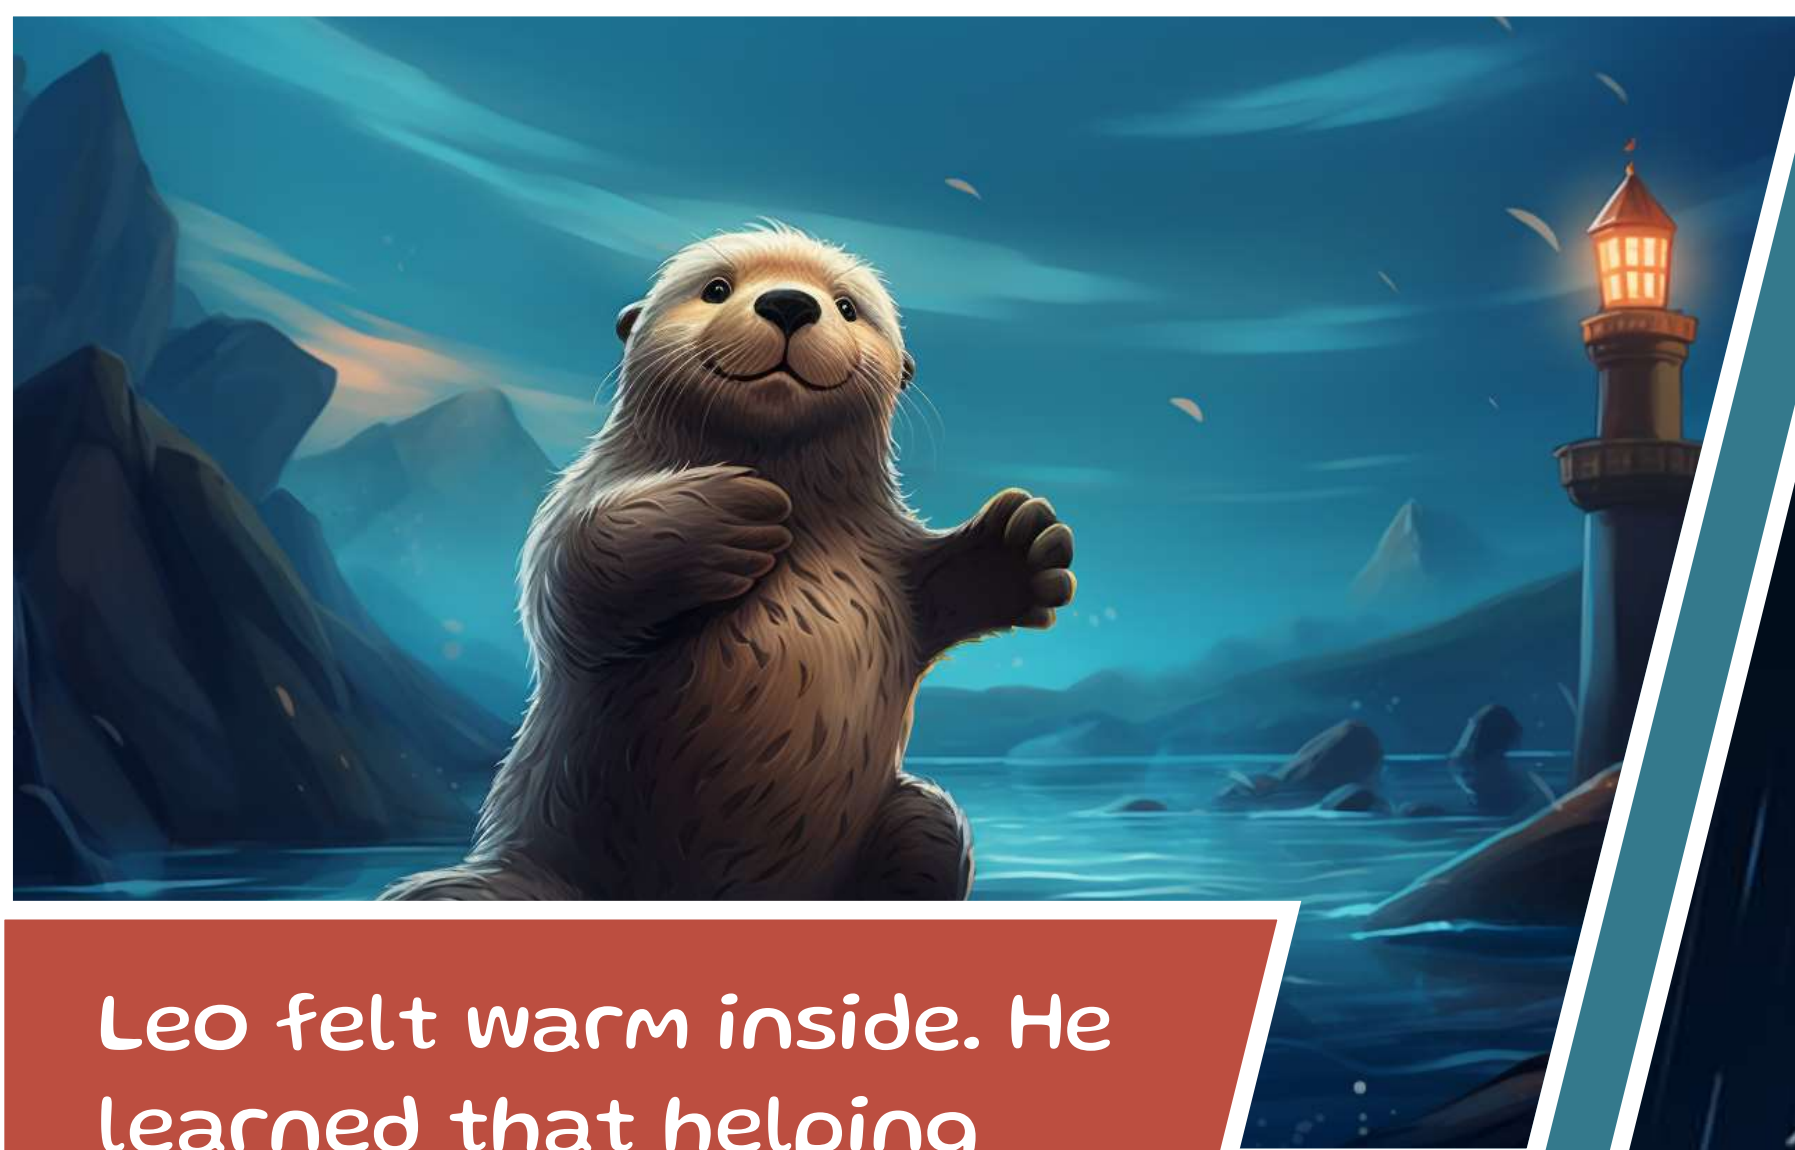

Leo swam around the ship, showing the right way. The lighthouse sent out bright light, too.

The ship's crew listened to Leo's voice over the storm.

Leo felt warm inside. He learned that helping others was really good.

After a while, the ship moved away from danger. The crew thanked Leo with happy faces.

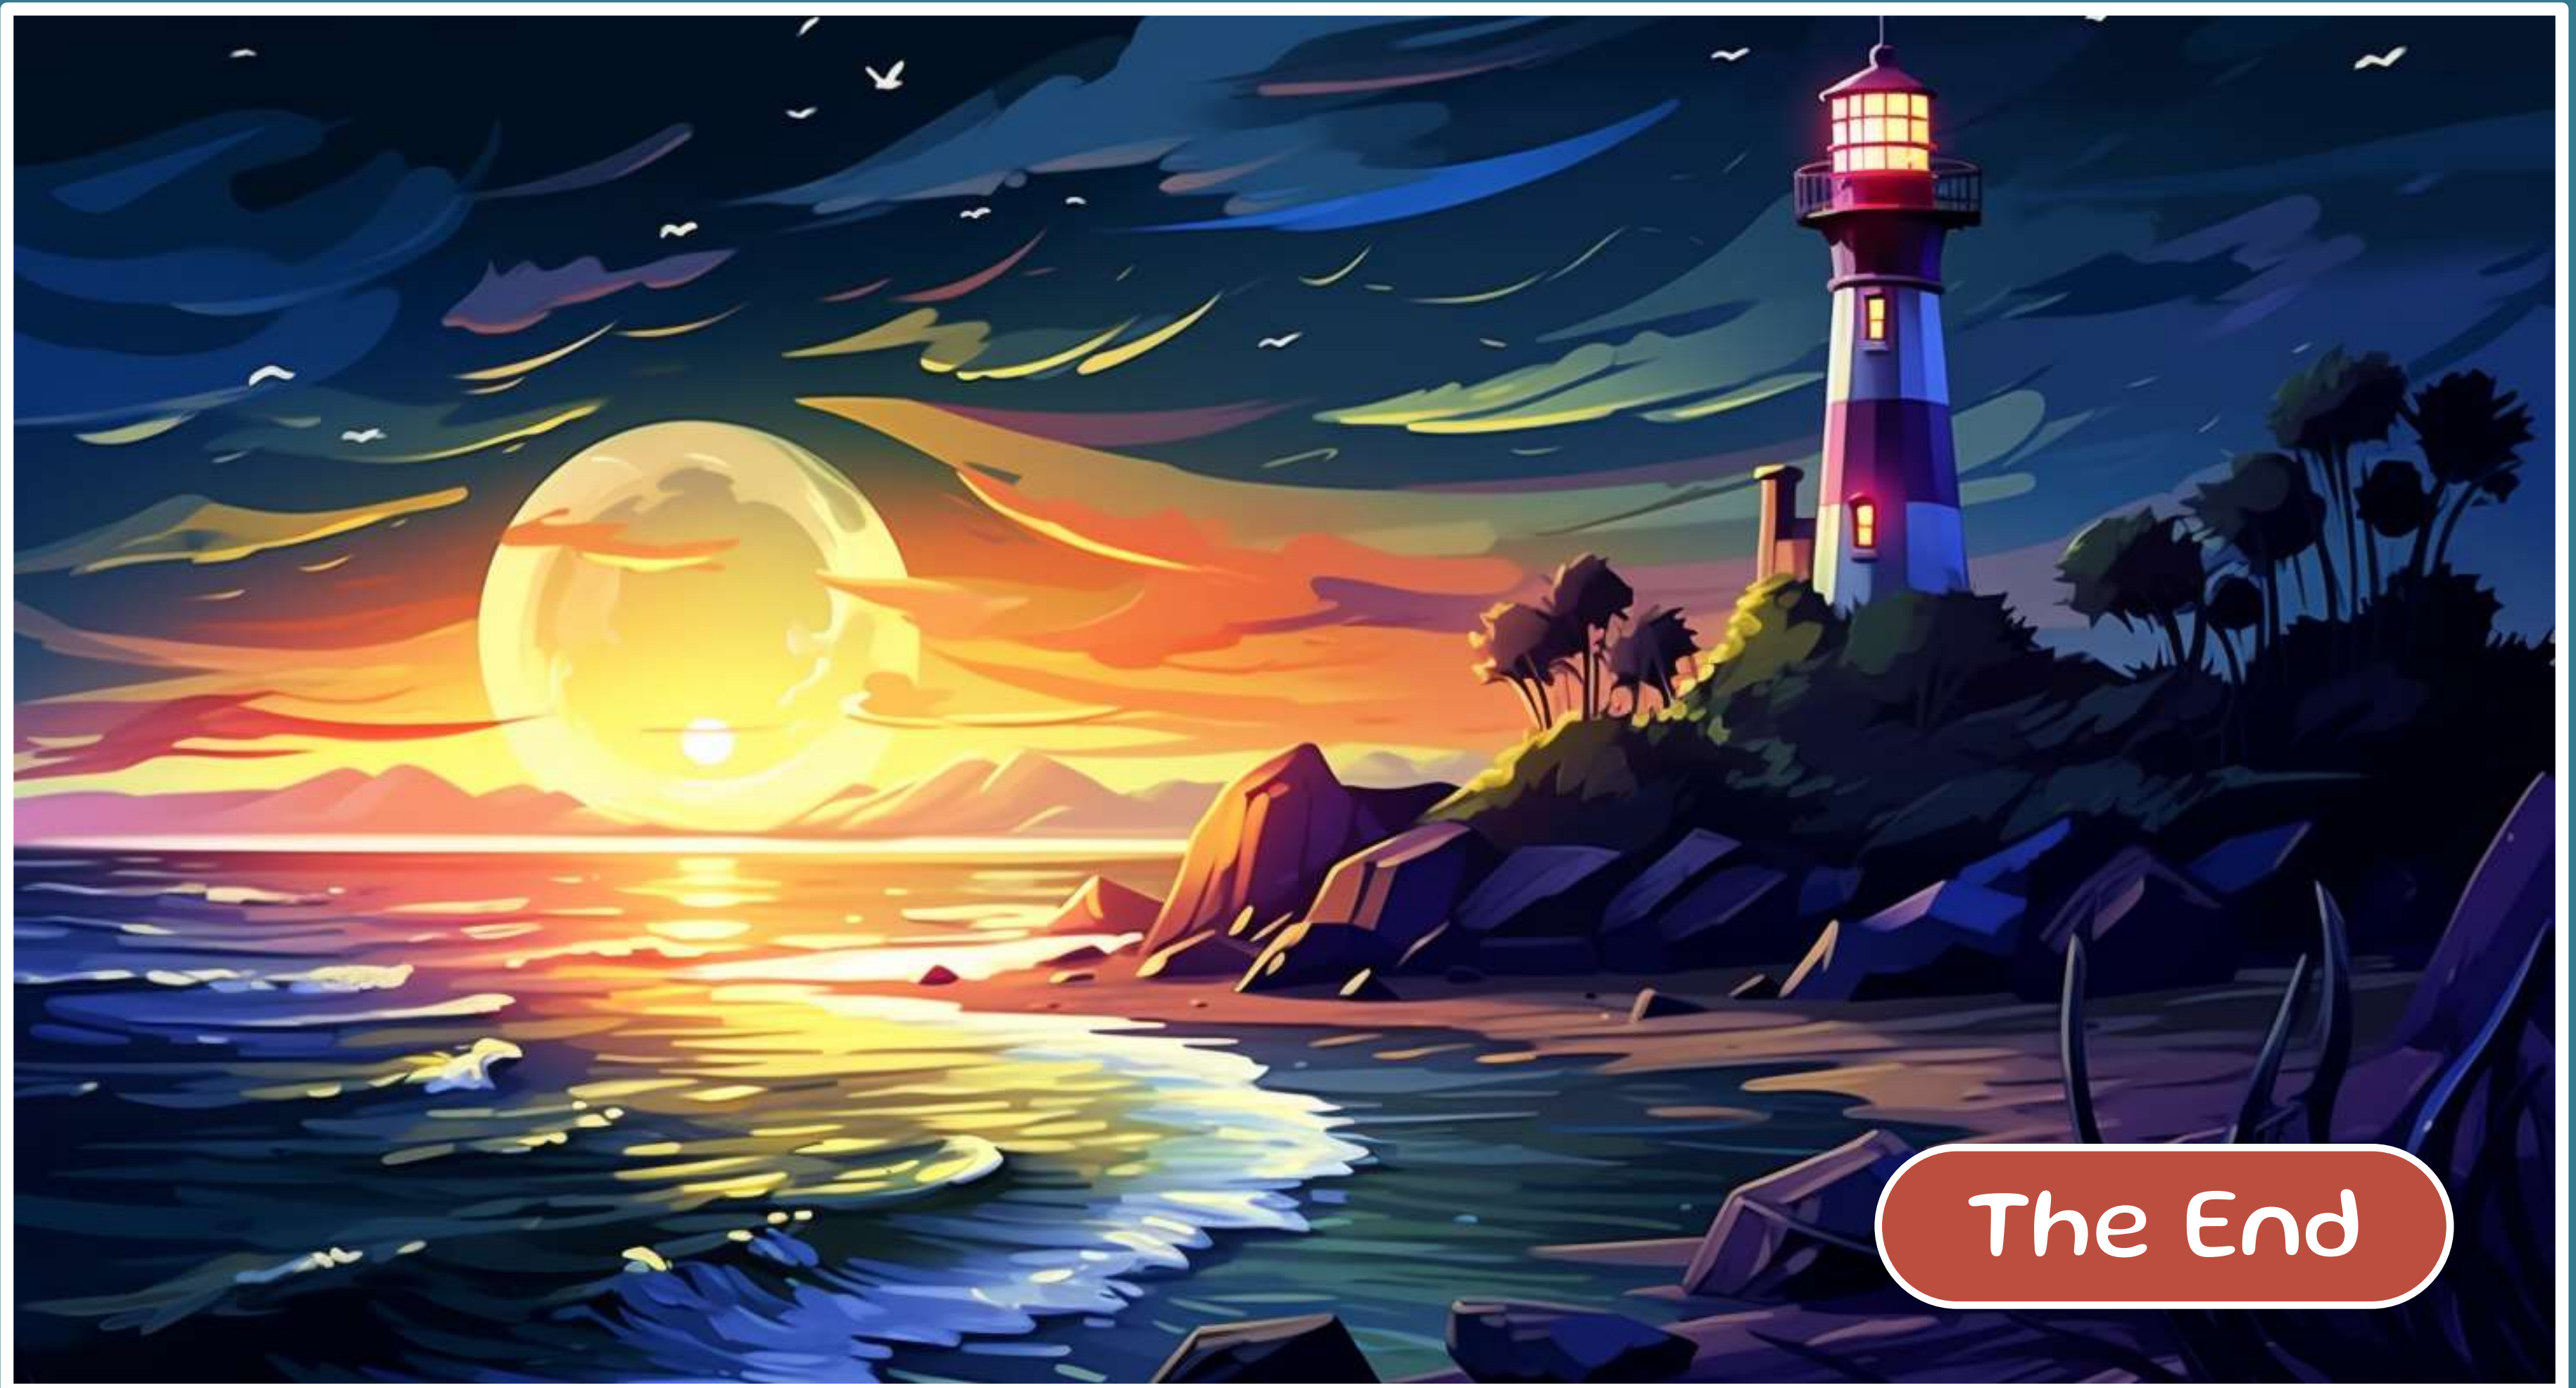

Leo's lighthouse adventure taught everyone that being kind and fast to help can really make a big difference. Just like the lighthouse saves ships,

Leo's helpfulness saved the ship from the storm.  
And from that day on, Leo knew that kindness  
could shine just as bright as a lighthouse light.
