ONCE UPON

a time in Dino
Valley, there was a
lost egg.

It was a special
egg because it
belonged to a
dinosaur.

One sunny day, a kind dinosaur named Dina found the lost egg. Dina knew it needed to go back to its nest, so she went on a journey to find it.

Dina walked through tall trees
and across bubbling streams.

She followed the footprints
of the little dinosaur.

After a long
walk, she saw
a cozy nest
high on a hill.

DINA

carefully placed the
lost egg back in its
nest. Soon, the
egg's family came
back, and they were
very happy.

They thanked Dina
for her kindness.

Dina felt
warm inside
because she
helped the
lost egg find
its way home.

She learned that helping others is
a good and happy thing to do.

And so, in Dino Valley, everyone learned that being kind and helping others makes the world a better and happier place.
